for a quarter of a century trappist monk fr thomas keating has been contributing articles on centering prayer the contemporary manifestation of the ancient christian contemplative tradition to the newsletter of contemplative outreach the organization that he helped establish to promote this tradition the thomas keating reader gathers for the first time thirty of those articles some never published elsewhere to offer a valuable overview of some of the main strands of fr thomas thinking and practice on centering prayer lectio divina and interreligious dialogue rich with insight and humanity the thomas keating reader offers a broad introduction to the concepts that have animated contemplative outreach and reveals the gifts and challenges of the practice of the spiritual life

a distillation of over seventy years as a monastic and more than three decades of writing on centering prayer reflections on the unknowable is fr thomas keating s latest volume on how we might develop our intimacy with god and our experience of the christian contemplative tradition the first part of the book consists of a long interview with fr thomas in which he examines concepts of the divine including the astonishments playfulness and transformation available to the individual willing to open the door to god the second section consists of thirty one brief homilies which range over topics as diverse as the trinity and the message of epiphany spiritual evolution and cultivating interior silence and the treasure of spiritual poverty and the beauty of chaos

this work brings together three prayer practices for each day of the year to enhance contemplative living

these essays discuss several features of centering prayer and the contemplative outreach movement thomas keating the divine indwelling thomas r ward spirituality and community centering prayer and the ecclesial dimension sarah a butler lectio divina as a tool for discernment george f cairns a dialogue between centering prayer and transpersonal psychology gail fitzpatrick hopler the spiritual network of contemplative outreach limited paul davidlawson leadership and changes through contemplation a parish perspective and thomas keating the practice of intention attention

taken from the contemplative outreach newsletter these writings expand on thomas keating s thoughts on the spiritual senses

the first portrait of spiritual luminary thomas keating s remarkable evolution in the last decades of his life into a fully realized modern day christian mystic in the first four decades of his life as a trappist monk thomas keating created a comprehensive unified psychospiritual pathway leading from healing to holiness and from contemporary psychological wellness to classic mystical sanctity and beatitude as one of the key innovators of the meditative practice of centering prayer he fashioned a powerful on ramp to the christian contemplative tradition yet as beloved author and keating disciple cynthia bourgeault shows that was not the end of

keating's story his evolution as a spiritual thinker and mystic continued in ways few have explored in depth in this unique blend of biography personal experience and close reading of his late works Bourgeault illuminates Keating's remarkable spiritual development from the late 1980s until his death in 2018. She explores Keating's increasing engagement with nondual spiritual practice his contributions to interspiritual dialogue the evolution of his early teaching on the movement from false self to true self to that from true self to no self his final dark night of the spirit and passage through death new evidence that he never left Christianity but carried it with him to new places these profound final stages of Keating's spiritual journey demonstrate how readers might find their own way as modern mystics fundamentally at home and at peace in the universe

Like Hillerman and McClure Keating is not only an outsider but as an Englishman writing about a former colony he is in grave danger of what Edward Said says Western writers often do construct the Orient as the mysterious other however Keating's portrayal of India complex subtle and deeply humanistic in the E.M. Forster tradition has been praised by Indians as Hillerman has been honored by Navajos for the fairness of his portrayals

Challenging Orthodoxies explores the implications of linguistics literary criticism and language theory in general for historians of education this book introduces the core ideas of the linguistic turn and some of its major theorists Hayden White Richard Rorty Michel Foucault and Clifford Geertz by arguing for the primacy of language textuality and linguistic structures in historical narratives this study revises conventional understanding of the writing and interpretation of histories of education the author reassesses the oeuvre and career of the late Lawrence A. Cremin generally acknowledged as the most important historian of American education of his time by redescribing progressive education solely as a language system the author transforms our understanding both of the progressive education movement and of its continuing influence on American education in his exploration of the mental hygiene movement and the medicalization of American education the author uncovers a new chapter in the history of American education the author breaks new ground in tracking the influence of school reform movements on change in education and provides fresh contexts for discussing present and future prospects for school reform in the United States by defining language and language systems as evidentiary sources and basic units of historical inquiry Challenging Orthodoxies also calls attention to film as a legitimate source for historical research and interpretation of American education and demonstrates that integrating film into the historiography of education is feasible and productive in broadening our understanding both of history and of education
