in the early days of television many of its actors writers producers and directors came from radio this crossover endowed the american radio archives with a treasure trove of television documents the collected scripts span more than 40 years of american television history from live broadcasts of the 1940s to the late 1980s they also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series the archives cover nearly 1 200 programs represented by more than 6 000 individual scripts includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms

leading anglican writers from around the world challenge the assumption that the communion is split between a liberal north and an orthodox south anglican churches worldwide are sharply divided on homosexuality the dominant stereotype is that of a global south unanimously lined up against homosexuality as immoral and sinful and of a liberal and decadent global north the differences between the two sides are seen as fundamental and irreconcilable nothing is further from the truth homosexual behavior exists across the whole anglican communion whether it is openly celebrated or quietly integrated into local churches and cultures in this extraordinary book in development for several years this is exposed as a myth christians throughout africa asia and the developing world bishops priests and religious academics and lay writers open up dramatic new perspectives on familiar arguments and

debates topics include biblical interpretation sexuality and doctrine local history sexuality and personhood the influence of other faiths issues of colonialism and post colonialism homophobia and the place of homosexual persons in the church other voices other worlds reveals the rich historical and cross cultural complexity to same sex relationships and injects dramatic new perspectives into a debate that has become stale and predictable

discusses the role of women workers who are joining the workforce in the cityscape and bringing to surface the contradictions that this assumption offers provided by publisher

at the george geoffrey moorhouse s testament to a lifelong love of rugby league was shortlisted for the inaugural william hill sports book of the year award in 1989 the very soul of rugby league a sport that has been called the toughest in the world lives within the pages of at the george from first acquaintance some seasons ago i believed it to be the finest book ever penned on the thirteen a side game today the book remains as fresh as ever and as firmly placed on its pedestal it is a seminal work a precious treasure of the game the book is from the heart written by a man of intellect who was bowled over by what he saw one may afternoon at maine road manchester back in 1946 and who never lost his affection for the game ian head from his new preface to this edition

in the book of yes you will find the most powerful scripts in the real estate industry today if you re tired of the same old sales scripts or if you ve done away with them all together i know how you feel because i ve been there i was tired of seeing the same b s bad sales approaches and i wanted something that felt more natural for me so i started creating my own scripts for the simple reason that i hated being told no for me nothing was worse than that feeling of rejection i was determined to figure out the perfect thing to say in every situation and how to say it in a way that would cause sellers and buyers to want to say yes to me every time this book is the result of that quest and i ve broken it in two unique parts so you can spend less time reading it and more time using the life changing scripts inside part 1 will give you the foundation for making the scripts work for you not just some of the time but every time you ll master how to inspire sellers to say yes to you giving you the magic key to unlock the success you want as a real estate agent part 2 is the actual scripts that allow you to have smooth choreographed conversations that lead you down the path to more success and more income included in this section are prospecting scripts for sellers that lead up to the listing appointment my unique listing presentation scripts with examples of exactly how to deliver them for maximum impact the buyer scripts that i ve personally used for years to build my own real estate business from scratch the objection scripts that will show you how to overcome any objection with ease and never be scrambling for words when a client throws you a curveball in all there are 27 scripts in this book that will show you how to handle any situation conversation and objection that might come your way and each script has been tested tweaked and perfected how do i know this because i ve used each and every one of them to close millions of dollars worth of real estate in my nearly 2 decade career i ve also taken the time to include things i ve picked up over my career that will help take you beyond the scripts how to identify resistance and influence triggers so you can naturally use the right words and phrases that gets more clients saying yes to you my practice techniques for memorizing and using these scripts to their full impact you won t just be pulling words from your memory you ll be speaking from the heart so you come across as genuine the

tiny tweaks that turn a regular script into something powerful these seemingly little differences can have a huge impact in the way a prospect or client responds to what you say the 9 keys to more powerful conversations that go way beyond just the words you say to a client i ve mastered all 9 of these techniques and each one has made a huge difference in how i present myself to clients the book of yes is an action guide not a book of theory think of it as your play book for the key conversations you have with sellers and buyers along with the scripts you will find tactical notes on how to use the script why it works and when to modify the script for various situations this book is not about intimidating your clients to agree with you it s about inspiring them to say yes and the more they do the more abundance and success you will have in your life the ultimate yes is saying yes to your goals your dreams and your family so you can create the lifestyle that you want

detailed commentary is given on what changes occurred between the formats the strengths and weaknesses of each the success of the transition and how the end product was received cross references bibliography and name and title indexes complete the work jacket
