this festschrift honors ucla professor emerita susan downey and her meticulous scholarship on religious architecture and imagery in the roman hellenistic world the iconography of gods and goddesses the analysis of sacred imagery in the context of ancient cult practices and the design and decoration of sacred spaces are the main themes of the book authors examine such subjects as painting from dura europos hellenistic sculpture at saqqara in egypt roman cameo glass pompeian fresco and aspects of venus in portrait sculpture the essays on dura europos are especially valuable in light of the present turmoil in the region professor downey's influence shines through in these discussions which echo her mentorship

of several generations of art history and archaeology students and recognize her scholarly achievements the broad temporal and geographic parameters of the volume are expansive and the juxtaposition of images and analyses leads to surprising new conclusions

domestic devotion has become an increasingly important area of research in recent years with the publication of a number of significant studies on the early modern period in particular this special issue aims to build on these works and to expand their range both geographically and chronologically this collection focuses on lived religion and the devotional practices found in the domestic settings of late medieval and early modern europe more particularly it investigates the degree to which the experience of personal or familial religious practice in the domestic realm intersected with the more public expression of faith in liturgical or communal settings its broad geographical range spanning northern southern central and eastern europe includes practices related to christianity judaism and islam this special issue will be of interest to historians art historians medievalists early modernists historians of religion anthropologists and theologians as well as those interested in the history of material religious culture it also offers important insights into research areas such as gender studies histories of the emotions and histories of the senses

a remarkable debut by one of america s premier young reporters on financial corruption casey michel s american kleptocracy offers an explosive investigation into how the united states of america built the largest illicit offshore finance system the world has ever known an indefatigable young american journalist who has virtually cornered the international kleptocracy beat on the us end of the black aquifer the los angeles review of books for years one country has acted as the greatest offshore haven in the world attracting hundreds of billions of dollars in illicit finance tied directly to corrupt regimes extremist networks and the worst the world has to offer but it hasn t been the sand splattered caribbean islands or even traditional financial secrecy havens like switzerland or panama that have come to dominate the offshoring world instead the country profiting the most also happens to be the one that still claims to be the moral leader of the free world and the one that claims to be leading the fight against the crooked and the corrupt the usa american kleptocracy examines just how the united states implosion into a center of global offshoring took place how states like delaware and nevada perfected the art of the anonymous shell company and how post 9 11 reformers watched their success usher in a new flood of illicit finance directly into the u s how african despots and post soviet

oligarchs came to dominate american coastlines american industries and entire cities and small towns across the american midwest how nazi era lobbyists birthed an entire industry of spin men whitewashing trans national crooks and despots and how dirty money has now begun infiltrating america s universities and think tanks and cultural centers and how those on the front line are trying to restore america s legacy of anti corruption leadership and finally end this reign of american kleptocracy

professor kermit champa shares his new insight into the musical climate of the time fronia wissman reexamines the relation of these avant garde artists to the official paris salon richard r brettell presents the critical and theoretical background that provided a context for the rise of landscape painting and deborah johnson traces in new ways the combined influence of the japanese print and photography on painting insightful entries on the individual artists sort out the role of the painters and their work in the art historical and musical context of mid nineteenth century life
