a chronology of world history ranges from the dawn of humankind to the present day examining important events milestones ideas and personalities that occurred simultaneously in different regions of the world

this book investigates the major changes in world history and world economy during the past five hundred years and explains to what extent world forces have been responsible for shaping both past and present its underlying theme is the struggle for power in which since the sixteenth century the west has prevailed many of the problems of the contemporary world including terrorism are the legacy of the period of western domination until the rise of the west and its incomparable impact on every branch of human activity the centre of the world has been in asia by the nineteenth century world power was firmly in the hands of the west america s later rise to world status was prompted by the two world wars the most prominent of the western nations the us is now blamed for all the excesses of an earlier colonial age

a concise history of the world from the paleolithic to the present telling the story of humans as producers and reproducers

a concise history of the world from the paleolithic to the present telling the story of humans as producers and reproducers

now in a fully revised and updated edition this comprehensive book surveys korean history

from neolithic times to the present michael j seth explores the origins and development of korean society politics and still little known cultural heritage from their inception to the two korean states of today telling the remarkable story of the origins and evolution of a society that borrowed and adopted from abroad seth describes how various tribal peoples in the peninsula came together to form one of the world's most distinctive communities he shows how this ancient culturally and ethnically homogeneous society was wrenched into the world of late nineteenth century imperialism fell victim to japanese expansionism and then became arbitrarily divided into two opposed halves north and south after world war ii tracing the seven decades since 1945 the book explains how the two koreas with their deeply different political and social systems and geopolitical orientations evolved into sharply contrasting societies south korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture north korea by contrast became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population seth describes and analyzes the radically different and historically unprecedented trajectories of the two koreas formerly one tight knit society throughout he adds a rare dimension by placing korean history into broader global perspective all readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book

when the british occupied the tiny island of hong kong during the first opium war the chinese empire was well into its decline while great britain was already in the second decade of its legendary imperial century from this collision of empires arose a city that continues to intrigue observers melding chinese and western influences hong kong has long defied easy categorization john m carroll's engrossing and accessible narrative explores the remarkable history of hong kong from the early 1800s through the post 1997 handover when this former colony became a special administrative region of the people's republic of china the book explores hong kong as a place with a unique identity yet also a crossroads where chinese history british colonial history and world history intersect carroll concludes by exploring the legacies of colonial rule the consequences of hong kong's reintegration with china and significant developments and challenges since 1997

this remarkably broad and informative book offers an introduction to and overview of world literature tracing the term from its earliest roots and situating it within a number of relevant contexts from postcolonialism to postmodernism theo d haen examines the return of the term world literature and its changing meaning goethe's concept of weltliteratur and how this relates to current debates theories and theorists who have had an impact on world literature non canonical and less known literatures from around the globe the possibility and implications of a definition of world literature this book is the ideal guide to an increasingly popular and important term in literary studies it is accessible and engaging and will be invaluable to students of world literature comparative literature translation and postcolonial studies and anyone with an interest in these or related topics

this comprehensive and balanced history of modern korea explores the social economic and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century placing this formerly insular society in a global context michael j seth describes how this ancient culturally and ethnically homogeneous society first fell victim to japanese imperialist expansionism and then was arbitrarily divided in half after world war ii seth traces the postwar paths of the two koreas with different political and social systems and

different geopolitical orientations as they evolved into sharply contrasting societies south korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture by contrast north korea became one of the world s most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population considering the radically different and historically unprecedented trajectories of the two koreas seth assesses the insights they offer for understanding not only modern korea but the broader perspective of world history

in a second edition of their successful concise history of modern india barbara metcalf and thomas metcalf explore india s modern history afresh and update the events of the last decade these include the takeover of congress from the seemingly entrenched hindu nationalist party in 2004 india s huge advances in technology and the country s new role as a major player in world affairs from the days of the mughals through the british empire and into independence the country has been transformed by its institutional structures it is these institutions which have helped bring about the social cultural and economic changes that have taken place over the last half century and paved the way for the modern success story despite these advances poverty social inequality and religious division still fester in response to these dilemmas the book grapples with questions of caste and religious identity and the nature of the indian nation

poland is a country which sporadically hits the headlines of the anglo saxon world it has suffered the dubious distinction of being wiped off the political map in 1795 to be resurrected after the first world war only to suffer apparent annihilation during the second with reduction to satellite status of the soviet union only to emerge in the van of resistance to soviet domination during the 1980s yet the history of poland remains comparatively little known this book offers a brief non specialist introduction to polish history from medieval times to the present day and is the only short history of poland available in english it concentrates essentially on political development which particularly for the pre nineteenth century period still remains little known to english readers the book also includes much material on relations with germany russia the ukraine lithuania and other neighbouring states

from rebellion to revolution social movements and revolution revolutionary states revolutionary polities

presented in a time line format the book offers a survey of world religions it examines global perspectives on the history of faith in the americas europe asia and oceania africa and the middle east
