finally available a high quality book of the original classic edition of the political future of india it was previously published by other bona fide publishers and is now after many years back in print this is a new and freshly published edition of this culturally important work by lajpat rai which is now at last again available to you get the pdf and epub now as well included in your purchase you have the political future of india in epub and pdf format to read on any tablet ereader desktop laptop or smartphone simultaneous get it now enjoy this classic work today these selected paragraphs distill the contents and give you a quick look inside the political future of india look inside the book whereas from information received by me it would appear that shops generally known as langars for the sale of cooked food are used for the purpose of illegal meetings and for the dissemination of seditious propaganda and whereas i notice that all other shops particularly in lahore city have been closed as part of an organized demonstration against his majesty s government now therefore by virtue of the powers vested in me under martial law i order that all such langars or shops for the sale of cooked food in the lahore civil area except such as may be granted an exemption in writing by me shall close and cease to trade by 10 00 hours 10 a m tomorrow wednesday the 16th april 1919 by 10 00 hours 10 a m tomorrow friday the 18th day of april 1919 every shop and business establishment except only langare referred to in martial law notice no 5 dated 15th april 1919 in the area under my command shall open and carry on its business and thereafter daily shall continue to keep open and carry on its business during the usual hours up to 20 00 hours 8 p m in exactly the same manner as before the creation of the said hartal

the book liberation manifesto is an exploration of publishing outside of current corporate constraints and beyond the confines of book piracy we believe that knowledge should be in free circulation to benefit humankind which means an equitable and vibrant economy to support

publishing instead of the prevailing capitalist hand me down system of sisyphian economic sustainability readers and books have been forced into pirate libraries while sales channels have been monopolised by the big internet giants which exact extortionate fees from publishers we have three proposals first publications should be free at the point of reading under a variety of open intellectual property regimes second they should become fully digital in order to facilitate ready reuse distribution algorithmic and computational use finally open source software for publishing should be treated as public infrastructure with sustained research and investment the result of such robust infrastructures will mean lower costs for manufacturing and faster publishing lifecycles so that publishers and publics will be more readily able to afford to invent new futures for more information on the hybrid publishing consortium see consortium io
