make with people and what wonderful life will I have when I am a wildly successful coach. Marilee Adams PhD author of *Change Your Questions Change Your Life* an easy to follow blueprint for developing a successful coaching practice. If you are a coach or want to become one this book will help you resolve self-limiting beliefs and give you the know-how to build a successful practice. Everything you need to know to be a top coach is set forth in this book. The first half helps you overcome obstacles that hold you back so you can soar to the pinnacle of the profession. You will learn valuable concepts and techniques to improve your coaching skills including conquering excuses that stand in your path. Thinking like a top coach and tapping into the power of self-motivation. The second half of the book gives you marketing strategies to gain clients and build your business. You will learn how to build a unique niche that fully leverages your own unique competencies and skills. Moreover, the authors help you identify and conquer fears and insecurities that may be preventing you from implementing the marketing and sales tactics that will make your business take off. The authors, two highly successful coaches and one bestselling marketing guru, draw on their own experiences to help you uncover and exploit the unique blend of skills and knowledge that you possess to be a top coach.

Truly the ultimate guide for a coach, this book is a must-read for all coaches whether they are starting out or are well entrenched with all my years in coaching. I still discovered new insights. Michael Beale NLP coach and trainer. Coaching can be transformational or simply transactional. If you truly want to transform lives then this book is a must-read. Coaching is far more than a job; it is a mission. Transformational coaches focus on their self-development as much as they do on the development of their clients. All coaches need to be aware of the different coaching frameworks, paradigms, and tools used by master coaches world over. In five straightforward sections, this book guides you through the steps you need to achieve optimal success as a coach. Section I: The ABCs of Coaching; Section II: Coaching Frameworks, Models, and Tools; Section III: Case Studies; Section IV: The Business of Coaching; Section V: Resources. It is an extensively researched overview of the latest developments in neuroscience, emotional intelligence, and positive psychology, among many coaching frameworks. If you are new to coaching, you will find out how to start your coaching business. If you are a seasoned professional, you will learn how to strengthen your practice. This book also offers coaching insights in the post-pandemic era.
