electronic music is now ubiquitous from mainstream pop hits to the furthest reaches of the avant garde but how did we get here in mars by 1980 david stubbs charts the evolution of synthesised tones from the earliest mechanical experiments in the late nineteenth century through the musique concrete of the futurists and radical composers such as pierre schaeffer and karl stockhausen to the gradual absorption of electronic instrumentation into the mainstream be it through the bbc radiophonic workshop grandiose prog rock or the diy approach of electronica house and techno stubbs tells a tale of mavericks and future dreamers malfunctioning devices and sonic mayhem but above all he describes an essential story of authenticity is this music mars by 1980 is the definitive account that answers this question

in this sharp challenging memoir col seth folsom lays bare the complexities of modern military combat advisor missions at the

twilight of america's longest war nothing here worth dying for tells the story of his command of task force lion a purpose built combat advisor team and his frenetic 2017 deployment to iraq's al anbar province charged with the daunting task of advising assisting and enabling the iraqi security forces in their fight against the islamic state of iraq and syria folsom and his team of marines and sailors struggled to support their iraqi partners in the jazeera operations command while simultaneously grappling with their own leadership for their relevance on the battlefield nothing here worth dying for is the jarring coda to folsom's nearly thirty years in uniform the last twenty of which he spent deploying to the long war in iraq and afghanistan far from a jingoistic tale that celebrates corps and country this work challenges many of the popular assumptions about military command leadership loyalty and teamwork as with the author's previous books nothing here worth dying for focuses on individual marine actions at the tactical and operational levels while also addressing regional events that contributed to the overall narrative of the u.s. war in iraq folsom describes his unpopular decision to prioritize his team members and their mission to support the iraqi army above the desires of his own military service branch as the final operation against isis in western al anbar gained steam he questioned the wisdom of the military leadership to which he had dedicated his entire adult life despite his disillusionment he committed himself to the men and women under his command who fought against the odds to accomplish a crucial mission at its core this is a story about teamwork and the bonds that develop when men and women risk their lives and reputations together as the united states struggles once more to extricate itself from iraq this book will be a timely addition to the existing body of work about the war
