an illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women housework is good for you housework sparks joy housework is beautiful housework is glamorous housework is key to a happy family housework shows that you care housework is women's work social media is flooded with images of the perfect housewife tiktok and instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right figures such as marie kondo and mrs hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking and yet housework remains one of the world's most unequal institutions women especially poorer women and women of colour do most low paid and unpaid domestic labour in the return of the housewife emma casey asks why these inequalities matter and why they persist after a century of dramatic advances in women's rights she offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker

throughout history effort enterprise and energy have been expended by women in maintaining the household cooking cleaning lighting heating and laundry this highly illustrated and delightfully written account looks at the changing role of the housewife over three hundred years the period covered was one of immense social change new social and family relationships scientific advances and economic developments all had an effect on the housewife some dramatic others more gradual much of what we now take for granted instant hot water heat and light at the flick of a switch fresh food all year round would have been

inconceivable to the many household managers represented in this book with its use of primary material and rare feel for the social history of domestic life this book will be an entertaining and informative guide to the many changes which have not only made life easier for the housewife but have altered our perceptions of the role itself

although the figure of the desperate housewife is familiar to us haggett suggests that many women in the 1950s and 60s led satisfying lives and that gender roles while very different were often seen as equal

geschiedenis van de huishoudelijke arbeid in nederland en de rol van de reclame daarin
