this sweeping history of the roman empire from 44 bc to ad 235 has three purposes to describe what was happening in the central administration and in the entourage of the emperor to indicate how life went on in italy and the provinces in the towns in the countryside and in the army camps and to show how these two different worlds impinged on each other colin wells s vivid account is now available in an up to date second edition

the roman empire was more than just the city of rome cities throughout the empire boasted paved

roads apartment complexes and public baths the city in the roman empire presents the distinct experiences of men women and children who lived urban lifestyles in the ancient empire this book examines the pros and cons of city living including opinions of romans themselves

this volume looks at all these aspects of life in the roman empire

during the principate roughly from 27 bc to ad 235 when the empire reached its maximum extent roman society and culture were radically transformed but how was the vast territory of the empire controlled did the demands of central government stimulate economic growth or endanger survival what forces of cohesion operated to balance the social and economic inequalities and high mortality rates how did the official religion react in the face of the diffusion of alien cults and the emergence of christianity these are some of the many questions posed here in an expanded edition of the original pathbreaking account of the society economy and culture of the roman empire as an integrated study of the life and outlook of the ordinary inhabitants of the roman world it deepens our understanding of the underlying factors in this important formative period of world history additions to the second edition include an introductory chapter which sets the scene and explores the consequences for government and the governing classes of the replacement of the republic by the rule of emperors a second extra chapter assesses how far rome s subjects resisted her hegemony addenda to the chapters throughout offer up to date bibliography and point to new evidence and approaches which have enlivened roman history in recent decades

this compact book which appeared earlier in the multivolume series a history of private life is a history of the roman empire in pagan times it is an interpretation setting forth in detail the universal civilization of the romans so much of it hellenic that later gave way to christianity the civilization culture literature art and even religion of rome are discussed in this masterly work by a leading scholar

an illustrated history of imperial rome over five centuries what began as an attempt by the roman senate to deny julius caesar the consulship led to his assassination by the senate and the institutional conversion of rome from a republic to one of the greatest empires the world has seen

no other political entity has shaped the modern world like the roman empire encompassing close to a quarter of the world s population and 3 million km<sup>2</sup> of land it represented a diverse and dynamic collection of nations states and tribes all bound to rome and the ideal of a roman identity in the lively and engaging style that he s known for philip matyszak traces the history of the roman empire from the fall of the assyrians and the rise of the roman republic through to the ages of expansion crisis and eventual split breathing new life into these extraordinary events matyszak explains how the empire operated deploying its incredibly military machine to conquer vast territory then naturalizing its subject peoples as citizens of rome it was a method of rule so sophisticated that loyalty to rome remained strong even after its collapse creating an expansive legacy that continues to this day

covering material from the time of julius caesar to the sack of rome this topically arranged reference set provides substantive entries on people cities government institutions military developments material culture and other topics related to the roman empire the roman empire was one of the greatest and most influential forces of the ancient world and many of its achievements endure in one form or another to this day because of its geographic breadth cultural diversity and overall complexity it is also one of the most difficult organizations to understand this book focuses on the roman empire from the time of julius caesar to the sack of rome while most references on the roman world provide a series of alphabetically arranged entries this work is organized in broad topical chapters on government and politics administration individuals groups and organizations places events military developments and objects and artifacts each section provides 20 to 30 substantive entries along with an overview essay the work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources

the greek statesman polybius c 200 118 bc wrote his account of the relentless growth of the roman empire in order to help his fellow countrymen understand how their world came to be dominated by rome opening with the punic war in 264 bc he vividly records the critical stages of roman expansion its campaigns throughout the mediterranean the temporary setbacks inflicted by hannibal and the final destruction of carthage an active participant of the politics of his time as well as a friend of many prominent roman citizens polybius drew on many eyewitness accounts in writing this cornerstone work of history

in this lively and very readable history of the roman empire from its establishment in 27 bc to the barbarian incursions and the fall of rome in ad 476 kershaw draws on a range of evidence from juvenal s satires to recent archaeological finds he examines extraordinary personalities such as caligula and nero and seismic events such as the conquest of britain and the establishment of a new rome at constantinople and the split into eastern and western empires along the way we encounter gladiators and charioteers senators and slaves fascinating women bizarre sexual practices and grotesque acts of brutality often seen through eyes of some of the world s greatest writers he concludes with a brief look at how rome lives on in the contemporary world in politics architecture art and literature

in the history of empires few compare in influence to the roman empire in the course of its 500 year history the empire yielded advances in philosophy governance science and the arts that are still relied upon today despite its long span and enduring legacy however the empire eventually succumbed to its visigoth invaders this enchanting narrative traces the history of ancient rome from its beginnings through its days as a republic and into the evolution and dissolution of its empire cultural achievements of the empire are placed in historical context and a timeline conveniently summarizes key events for quick reference
