this book provides guidance for improving primary classroom reading instruction as education stakeholders now recognise there is an urgent need for policy and practice beyond phonics and for improved reading outcomes this timely text supports a well balanced effective and affective classroom reading programme the author describes the co generative work of belinda a brisbane based primary teacher and her year three class in a sequence of 24 descriptive vignettes she provides details of the activities in which belinda engages her students in weekly sessions dedicated entirely to literary appreciation and educative reading for enjoyment the project illuminates the beauty of book blether the significance of students literary talk the author applies john dewey s philosophy on aesthetic experience in explanatory responses to belinda s teaching and demonstrates how this work might be replicated in the primary classroom the book will appeal to pre service teachers and educators academics in the field of reading instruction dialogic pedagogy and literacy improvement as well as primary school practitioners

in his new book in the best interest of students staying true to what works in the ela classroom teacher and author kelly gallagher notes that there are real strengths in the common core standards and there are significant weaknesses as well he takes the long view reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students literacy skills instead of blindly adhering to the latest standards movement gallagher suggests increasing the amount of reading and writing students are doing while giving students more choice around those activitiesbalancing rigorous high quality literature and non fiction works with student selected titlesencouraging readers to deepen their comprehension by moving beyond the four corners of the text planning lessons that move beyond common core expectations to help young writers achieve more authenticity through the blending of genresusing modeling to enrich students writing skills in the prewriting drafting and revision stagesresisting the de emphasis of narrative and imaginative reading and writingamid the frenzy of trying to teach to a new set of standards kelly gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question what is in the best interest of our students

the handbook of social influences in school contexts draws from a growing body of research on how and why various aspects of social relationships and contexts contribute to children's social and academic functioning within school settings comprised of the latest studies in developmental and educational psychology this comprehensive volume is perfect for researchers and students of educational psychology beginning with the theoretical perspectives that guide research on social influences this book presents foundational research before moving on to chapters on peer influence and teacher influence next the book addresses ways in which the school context can influence school related outcomes including peer and teacher student relationships with specific attention to research in motivation and cognition within the chapters authors not only present current research but also explore best practices drawing in examples from the classroom with chapters from leading experts in the field the handbook of social influences in school contexts provides the first complete resource on this topic

youth fantasies is a collection of studies conducted in cross cultural collaboration over the past ten years that theorizes youth fantasy as manifested through the media of tv film and computer games unlike other media studies and education books the authors employ both lacanian and kleinian psychoanalytic concepts to attempt to make sense of teen culture and the influence of mass media the collection includes case studies of x files fans the influence of computer games and the lara croft phenomenon and the reception of western television by tanzanian youth the authors see this book as a much needed reconciliation between cultural studies and lacanian psychoanalysis and attempt to highlight why lacan is important to note when exploring youth fantasy and interest in the media especially in shows like x files
