this volume is an introduction to those works of györgy lukács that have established him as a classic authority in literary criticism his pre marxist the history of the evolution of modern drama 1911 still not available in english which eva corredor analyzes in the original hungarian text and from which she provides extensive quotations in english his kantian collection of essays soul and form 1910 his hegelian the theory of the novel 1920 and his first marxist work history and class consciousness 1923 which best characterizes the hungarian philosopher's problematic position between east and west lukács's marxist theories are studied in the texts written during his exile in stalinist

russia but published much later studies in european realism 1950 the historical novel 1955 and realism in our time 1957 the approach to lukács s work is both selective in the sense that the author chooses to introduce lukács s literary theories with a focus on his views of french literature but also global in that she integrates these theories in the totality of his intellectual development at each phase the true motive of lukács s interest in literature is revealed as a pretext to study reality the detailed biographical data up to date critical bibliography and helpful index contribute to the overall value of this work as a challenging and rewarding source of information on györgy lukács s theories of literature

papers presented at the lukaacs symposium held at concordia university montreal canada from october 10 12 1985

the aim of this book is to provide within the compass of a single volume an introduction to the major developments in this field that have taken place during the twentieth century in europe and north america the authors explain the assumptions of these theories concerning the nature of literature and criticism showing how they relate to one another and linking them to the general issues raised by all critical practice in succeeding chapters the book considers individual theorists and schools focusing in turn on russian formalism modern linguistics post structuralism modern psychoanalytic criticism and marxist theories for readers who wish to pursue further their study of particular theories selected bibliographies are provided at the end of each chapter from publisher s description

this illuminating book examines today s most controversial and philosophically interesting issues in the major schools of contemporary political theory in the past two decades the study of political theory has undergone an unexpected renaissance and has once again taken center stage in philosophical debates in the west paradigms in political theory sets out some of the major controversies circulating in four schools of contemporary political theory liberalism marxism feminism and postmodernism rather than attempting to cover the major elements of each school of thought in a comprehensive manner this volume reveals some of the more contentious issues facing each brand of political theory so that its cutting edge can be exposed chapters on liberalism criticize the foundations of the school from its assumptions and analytical methods to the problems of legitimacy and paternalism other chapters provide a basis for political obligation analyze collective action or critique the main proponents of liberalism in our time the works on marxism range from traditional critical interpretation of the work of classical authors to contemporary applications of analytical marxism or undertake a synthesis between marx and nietzsche the feminist essays present vigorous analyses of the self the self in political action and the self

seeking personal and social truth in new ways the section on post modernism addresses the major issues in the political theories of foucault habermas derrida lyotard and baudrillard

the end of the soviet period the vast expansion in the power and influence of capital and recent developments in social and aesthetic theory have made the work of hungarian marxist philosopher and social critic georg lukács more vital than ever the very innovations in literary method that during the 80s and 90s marginalized him in the west have now made possible new readings of lukács less in thrall to the positions taken by lukács himself on political and aesthetic matters what these developments amount to this book argues is an opportunity to liberate lukács s thought from its formal and historical limitations a possibility that was always inherent in lukács s own thinking about the paradoxes of form this collection brings together recent work on lukács from the fields of philosophy social and political thought literary and cultural studies against the odds lukács s thought has survived as a critique of late capitalism as a guide to the contradictions of modernity and as a model for a temperament that refuses all accommodation with the way things are

this book length treatment of györgy lukács major achievement his marxist aesthetic theories working from the thirty one volumes of lukács works and twelve separately published essays speeches and interviews bela kiralyfalvi provides a full and systematic analysis for english speaking readers following an introductory chapter on lukács philosophical development the book concentrates on the coherent marxist aesthetics that became the basis for his mature literary criticism the study includes an examination of lukács marxist philosophical premises his theory of the origin of art and the relationship of art to life science and religion and his theory of artistic reflection and realism later chapters treat the concepts of type and totality in lukács category of specialty the distinctions between allegory and symbolism in his theory of the language of art and lukács understanding of aesthetic effect and form and content in art there is a separate chapter on lukács dramatic theory this lucid and readable account of lukács aesthetic theories will be of special interest to students of literature aesthetics and drama in addition it will be appreciated by those generally concerned with marxist theory originally published in 1975 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

georg lukács early marxist philosophy of the 1920s laid the foundations of critical theory however the evaluation of lukács philosophical contribution has been largely determined by one sided readings of eminent theorists like adorno habermas honneth or even lukács himself this book offers a new reconstruction of lukács early marxist work capable of restoring its dialectical complexity by highlighting its roots in his neo kantian pre marxist period in his pre marxist work lukács sought to articulate a critique of formalism from the standpoint of a dubious mystical ethics of revolutionary praxis consequently lukács discovered a more coherent and realistic answer to his philosophical dilemmas in marxism at the same time he retained his neo kantian reservations about idealist dialectics in his reading of historical materialism he combined non idealist non systematic historical dialectics with an emphasis on conscious collective transformative praxis reformulated in this way lukács classical argument plays a central role within a radical critical theory

realist film theory and cinema embraces studies of cinematic realism and 19th century tradition the realist film theories of lukács grierson bazin and kracauer and the relationship of realist film theory to the general field of film theory and philosophy this is the first book to attempt a rigorous and systematic application of realist film theory to the analysis of particular films the book suggests new ways forward for a new series of studies in cinematic realism and for a new form of film theory based on realism it stresses the importance of the question of realism both in film studies and in contemporary life aitken s work will be of interest to scholars and advanced students of film studies literary studies media studies cultural studies and philosophy
