the essays in this book compare and analyze political processes in eight states within the indian union a long introductory chapter by myron weiner sets the stage for individual studies of each state by separate scholars namely myron weiner mit on political development in the indian states paul h brass university of washington on uttar pradesh wayne wilcox columbia university on madhya pradesh ram joshi s i e s college bombay on maharashtra balraj puri editor kashmir affairs on jammu and kashmir marcus f franda colgate university on west bengal lawrence l shrader mills college on rajasthan hugh gray university of london on andhra pradesh and baldev raj nayar mcgill university on punjab originally published in 1968 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

this volume grew out of a panel on indian state politics presented at the thirty sixth annual meeting of the association for asian studies in washington d c on march 24 1984 brass kohli manor and wood gave papers and church served as discussant subsequently blair who chaired the panel and lele and varkey generously offered to participate as well all of the papers were revised and edited speedily in order to take advantage of westview press rapid publication and distribution through the replica edition process

focusing on the twin issues of identity and development that are often signifiers of the unravelling politics in the federal polity the book make a concerted attempt to look at and beyond the states by exploring the specificities of the regions within these states it does so through a comparative study from the vantage point of democratic politics as it unfurls in recent india emphasising that regions within the states are not merely politico administrative instituted constructs but are also imagined or constituted among others in historical geographic economic sociological or cultural terms it argues that any meaningful comparative study of the regions would naturally straddle the disciplinary boundaries of social sciences the book attempts to go beyond the states and look at the regions within them as a distinctive analytical category for an in depth study of the democratic politics of identity and development unfolding at the state level
