while the midlife crisis has been thoroughly explored by experts there is another

landmine period in our adult development called the quarterlife crisis which can be just as devastating when young adults emerge at graduation from almost two decades of schooling during which each step to take is clearly marked they encounter an overwhelming number of choices regarding their careers finances homes and social networks confronted by an often shattering whirlwind of new responsibilities new liberties and new options they feel helpless panicked indecisive and apprehensive quarterlife crisis is the first book to document this phenomenon and offer insightful advice on smoothly navigating the challenging transition from childhood to adulthood from school to the world beyond it includes the personal stories of more than one hundred twentysomethings who describe their struggles to carve out personal identities to cope with their fears of failure to face making choices rather than avoiding them and to balance all the demanding aspects of personal and professional life from what do all my doubts mean to how do i know if the decisions i m making are right this book compellingly addresses the hardest questions facing young adults today

the practical followup to the acclaimed bestseller in 2001 the groundbreaking book quarterlife crisis addressed the unique and unsettling trials of entering modern adulthood for the first time it identified how twentysomethings were lost and confused and lamented the absence of a guide a roadmap with solutions for how to emerge from the crisis successful happy and sane now the author of quarterlife crisis delivers that roadmap alexandra robbins goes beyond defining the problem of the quarterlife crisis and puts readers on the path to conquering it she asks and answers the tough soul searching questions that keep young adults awake at night how do i weigh doing what i love versus making money will i ever find my soul mate why is it so hard to make friends why are my twenties so different from what i expected with new voices as well as follow up interviews with some of the original quarterlife crisis twentysomethings conquering your quarterlife crisis is the new go to guide for people who want it all but just aren t sure what that is yet

you're 25 but feel 45 you should be having the time of your life but all you do is stress about your future free job low salary alleged friends and non-existent partner if your life were a movie it would go straight to video and no one would rent it their twenties and thirties from all over the uk everybody had a different story but there were common themes almost everyone felt they should be doing better earning more living faster and looking better than they do now about the quarterlife crisis can affect any or all of these areas and this title looks in depth at each area is it worth doing a postgrad or working abroad should you buy or rent what are the true start up costs of your first job and how do you negotiate pay is the person you first started going out with as a fresher still right for you are you still right for them is the answer non-monogamy apart if so you're in good company if not go away nobody wants to hear about how fabulous your life is

this is a constructive and down to earth guide to all the milestones you face in your twenties first job debt considering pensions redundancy buying a place or renting moving in together and how to deal with them get it together is structured in four parts work money housing and relationships and examines the problems they raise as well as providing lists of resources helpful advice and answers to the some of the questions most affecting people in their twenties and beyond how do you negotiate pay in your first job do you have to have a pension or should you just sell a kidney to buy a flat how much debt is too much and is it possible to be terminally single after surviving his own quarterlife crisis and interviewing hundreds of others in the same situation damian barr has written a practical reassuring and funny guide to sorting yourself out in your wilderness years

are you torn between climbing the career ladder or throwing on a sarong in goa do all your mates seem more successful and sorted than you do are you suffocated by choice responsibility and self doubt are money homelife and relationships stressing you out do these questions just make you want to crawl back under your duvet

surprisingly you are not alone you could be in the middle of a quarterlife crisis we ve all heard of adolescent angst and the mid life crisis but no one really talks about the challenges of the period in between the truth is that being a twentysomething in the real world isn t easy quarterlife crisis is the first book to name and document this phenomenon with masses of facts information and startlingly honest anecdotes quarterlife crisis helps you out through an often dizzying period and compellingly tackles the most difficult questions facing twentysomethings today
