the following pages contain the substance of letters written to my family and friends during six months which i passed in spain in addition to what i have borrowed from ocampo masdeu and marina i am also indebted to a very accurate abstract of the state of the moors in granada written by simon de argote preface

spaniards are reputed to be amongst europe's most forthright people so why have they kept silent about the terrors of their civil war and the rule of general franco this apparent pact of forgetting inspired writer giles tremlett to embark on a journey around spain and its history he found the ghosts of spain everywhere almost always arguing who caused the civil war why do basque terrorists kill why do catalans hate madrid did the islamist bombers who killed 190 people in 2004 dream of a return to spain's moorish past tremlett's curiosity led him down some strange and colourful byroads and brought him unexpected insights into the spanish character

reproduction of the original familiar spanish travels by william dean howells

it demonstrates that even though washington irving s sojourn in spain from 1826 until 1829 marked a distinct shift in the literary commodification of things spanish the transition from an enlightened to a romantic representation of spain was a process triggered by a group of writers who produced spanish travel narratives of lasting influence

embark on a journey through the breathtaking landscapes and vibrant culture of southern spain in this collection of letters written by william jacob in the early 19th century offering a rich combination of personal anecdotes and historical observations this book is a must read for anyone interested in travel writing and the history of spain this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
