surveys the systems manufacturers and consultants within the global market city by city you can analyse and review both current operations and future plans provides traffic statistics fleet lists and numbers in service provides contact details and background of approx 1 500 manufacturers

the oecd compilation manual for index of services production contains guidelines and methodologies to measure short term production activities of the services sector by national agencies and international organisations the manual

there has been an upward trend in reported cases of sexually transmitted infections stis in the uk health practitioners at all levels need to have an awareness and understanding of stis and the various issues that surround them this manual offers a good grounding and

insight into many aspects and areas associated with STIs using reliable references and the available evidence the manual itemises changes and improvements that could be made in health care settings in order to help reduce the incidence of STIs and to treat various infections as efficiently as possible. Sexual health must be underpinned by an holistic philosophy positively endorsing human sexuality and accepting sexual activity as normal and life enhancing. The manual uses an integrated approach to the contributing factors surrounding STIs and considers the range of influencing dynamics at play amongst the various factors discussed. The ethics and legalities of STI related issues are addressed fully which will leave the reader confident about where they stand on matters related to patient STIs. The manual of sexually transmitted infections is an excellent and reliable reference tool for all health care professionals working in the primary, secondary, intermediate and tertiary sectors of health care, the independent sector and the national health service.
