shortlisted for the pen hessell tiltman prize there have been many books written about the events of bloody sunday however none has wrenched the reader as violently back to those cs gas choked streets dumping them right in the heart of the screaming running shooting and crying as

julieann campbell's on bloody sunday a powerful chronicle of one of the darkest episodes of modern times sunday times powerful and moving the strength of this important new book lies in the artistry the author brings to the tasks of portraying both the community upon which the massacre was perpetrated and the individuals within it irish times meticulous on bloody sunday possesses a veracity and cumulative power that sets it apart from previous accounts observer a momentous chronicle timely and vital which highlights that the burden of change rests as always upon the shoulders of those who suffered and yet have nurtured the desire that lessons be learned michael mansfield qc who represented a number of families during the bloody sunday inquiry it is a vital record of the time the city and its people and more impressive still it does so almost entirely in their own words their heartbreak their anger their resilience their humour julieann campbell has given their voices so long silenced the dignity they deserve it is a staggering achievement séamas o reilly it's a wonderful book the technique used multiple voices speaking directly to us is very simple but it has a profound effect it puts us into the middle of the chaos of bloody sunday and keeps us there throughout the grief and anger that follow a wonderful wonderful book jimmy mcgovern bafta winning screenwriter creator of sunday 2002 in january 1972 a peaceful civil rights march in northern ireland ended in bloodshed troops from britain's 1st battalion parachute regiment opened fire on marchers leaving 13 dead and 15 wounded seven of those killed were teenage boys the day became known as bloody sunday the events occurred in broad daylight and in the full glare of the press within hours the british military informed the world that they had won an ira gun battle this became the official narrative for decades until a family led campaign instigated one of the most complex inquiries in history in 2010 the victims of bloody sunday were fully exonerated when lord saville found that the majority of the victims were either shot in the back as they ran away or were helping someone in need the report made headlines all over the world while many buried the trauma of that day historian and campaigner juliann campbell whose teenage uncle was the first to be killed that day felt the need to keep recording these interviews and collecting rare and unpublished accounts aware of just how precious they were fifty years on in this book survivors relatives eyewitnesses and politicians shine a light on the events of bloody sunday together for the first time as they tell their stories the tension confusion and anger build with an awful power on bloody sunday unfolds before us an extraordinary human drama as we experience one of the darkest moments in modern history and witness the true human cost of conflict

this volume offers a critical examination of the construction of the spoken british national corpus 2014 spoken bnc2014 and points the way forward toward a more informed understanding of corpus linguistic methodology more broadly the book begins by situating the creation of this second corpus a compilation of new publicly accessible spoken british english from the 2010s within the context of the first created in 1994 talking through the need to balance backward capability and optimal practice for today's users chapters subsequently use the spoken bnc2014 as a focal point around which to discuss the various considerations taken into account in corpus construction including design data collection transcription and annotation the volume concludes by reflecting on the successes and limitations of the project as well as the broader utility of the corpus in

linguistic research both in current examples and future possibilities this exciting new contribution to the literature on linguistic methodology is a valuable resource for students and researchers in corpus linguistics applied linguistics and english language teaching

studying with husserl in göttingen becoming a carmelite nun and finally meeting her death in auschwitz the multifaceted life of edith stein 1891 1942 is well known but what about her writing have the different aspects of her scholarship received sufficient attention peter tyler thinks not and by drawing on previously untranslated and neglected sources he reveals how stein s work lies at the interface of philosophy psychology and theology bringing stein into conversation with a range of scholars and traditions this book investigates two core elements of her thinking from nietzsche to aquinas psychoanalysis to the philosophy of the soul and even the striking parallels between stein s thought and buddhist teaching tyler first unveils the interdisciplinary nature of what he terms her spiritual anthropology second he also explores her symbolic mentality articulating its poetic roots with the help of english poetry and medieval theology he introduces stein s self named philosophy of life considered in the context of her own times the living philosophy of edith stein unearths stein s valuable contributions to numerous subjects that are still of great importance today including not only the philosophies of mind and religion but also social and political thought and the role of women in society by examining the richness of her thinking informed by three disciplines and the tumultuous first half of the twentieth century tyler shows us how edith stein is the guide we all need as we seek to develop our own philosophy for life in the contemporary world
