if we are to believe many modern commentators science has squeezed god into a corner killed and then buried him with its all embracing explanations atheism we are told is the only intellectually tenable position and any attempt to reintroduce god is likely to impede the progress of science in this stimulating and thought provoking book john lennox invites us to consider such claims very carefully this book evaluates the evidence of modern science in relation to the debate between

the atheistic and theistic interpretations of the universe and provides a fresh basis for discussion the chapters include war of the worldviews the scope and limits of science reduction reduction designer universe designer biosphere the nature and scope of evolution the origin of life the genetic code and its origin matters of information the monkey machine and the origin of information now updated and expanded god s undertaker is an invaluable contribution to the debate about science s relationship to religion

does apologetic method matter helmut thielicke argues that the method should conform to its own message he thus rejects traditional apologetic methodologies beholden to supposedly neutral scientific and philosophical paradigms seeking to reform christian conversation thielicke discovers a lost way of persuasion that is the table turning approach found in christ s conversations whenever jesus is questioned he seldom answers directly for he refuses to allow the conversation to be framed by an autonomous mindset and instead responds with a counterquestion christ s style of persuasion as the controller of the question subverts his hearers presuppositions and challenges their unbelief this approach is the reverse of the defensive answer giving mode of traditional apologetics in view of renewing christ s method thielicke insists that the task of apologetics is something which is always on the offensive and far from giving ready made answers to the doubtful questions of men turns the tables by putting questions on its own account aggressive violent radical questions and striking straight to the hearts of men christian conversation must integrate christ s method with his message in order to advocate the message itself for it is not the world that questions christ but rather christ questions the world

what if the core arguments for atheism reveal that god actually exists with a rising dependence on science and rational thought in today s culture religion is often dismissed as outdated or illogical and atheism is gaining a wider audience but award winning author dr frank turek provides a strong case for how atheists steal logic reasoning evidence and science from god in order to support their claims a result of careful study stealing from god exposes the intellectual crimes atheists are committing by taking a closer look at causality how did the universe originate reason what does atheism mean for truth information intentionality god s signature in creation morality objective morality without god evil is evil a contradiction for atheism science how theism makes science possible and a powerful 4 point case for christianity no matter your stance on religion or atheism this book will prove a thought provoking and compelling read with clear well researched arguments stealing from god is a refreshing resource to bolster your faith help you engage with those who disagree and open your eyes to the truth of religion and atheism an unassailable case for the truth of christianity eric metaxas new york times bestselling author provides powerful and clear answers to questions of enduring importance for every thinking person dr

john lennox professor of mathematics at oxford university will change the way you think about the world and equip you to defend what you believe j warner wallace author of cold case christianity

in a world shaped by doubt suffering and competing worldviews tough questions thoughtful responses invites readers on a journey of thoughtful christian apologetics designed as a 14 chapter manual that mirrors a full lecture series this book addresses the most pressing challenges to faith evil divine hiddenness science pluralism morality scripture and the resurrection with a careful blend of biblical wisdom philosophical depth and pastoral care each chapter equips believers to engage difficult questions with both courage and compassion whether used in a classroom church group or personal study this guide helps readers understand not only what christians believe but why those beliefs matter rather than offering quick answers it fosters meaningful dialogue and grounded confidence encouraging readers to live out their faith with clarity humility and love i do not always see but i will not stop seeking henri nouwen the wounded healer the silence of god is god mother teresa s a complete authorized biography after more than two thousand years of attacks the bible stands as the most accurately transmitted book from the ancient world josh mcdowell evidence that demands a verdict to be skeptical of the resultant text of the new testament books is to allow all of classical antiquity to slip into obscurity john warwick montgomery history and christianity

faith s defenders the christian apologetic mission offers a comprehensive exploration of the crucial role of apologetics in the christian church it examines the foundational beliefs historical challenges and modern day threats to christianity while providing a detailed overview of apologetics from early christianity to the present the book emphasizes the need for respectful and intellectually rigorous strategies to engage with contemporary culture address doubts and reinvigorate faith drawing on insights from renowned defenders of the faith it highlights the importance of apologetics in strengthening the church s witness and fostering meaningful dialogue making a compelling call for the church to present the gospel with confidence clarity and compassion you can find the paperback version on amazon amzn to 4jisdjr

eminent evangelical theologian provides a basic introduction to the faith that traces the story of redemption through the bible

think christianly is about seizing the opportunities we have every day to speak the life jesus offers into our culture tragically many such opportunities pass us by unclaimed either because we don t notice them or we have not prepared ourselves to enter into them and those around us seem to grow increasingly unwilling to hear anything the church has to say jonathan morrow helps church leaders envision and implement ways for their congregations to think christianly about contemporary questions and to speak in informed engaging ways morrow explores many of the important issues that christians often hear raised with regard to faith questions about who jesus was the good and bad of religion pain and evil in the world the reliability of the bible sexuality and intimate relationships and hope for change among others the life and faith issues that think christianly addresses lead to cultural moments where christianity and contemporary culture intersect this book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world

portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the new testament contains unreliable tales about a mythical figure who far from being the resurrected lord of life may not even have lived this comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical jesus
