now in a fifth edition this bestselling introductory textbook remains the cornerstone volume for the study of second language acquisition. Its chapters have been fully updated and reorganized where appropriate to provide a comprehensive yet accessible overview of the field and its related disciplines in order to reflect current developments. New sections and expanded discussions have been added. The fifth edition of second language acquisition retains the features that students found useful in previous editions. This edition provides pedagogical tools that encourage students to reflect upon the experiences of second language learners as with previous editions. Discussion questions and problems at the end of each chapter help students apply their knowledge and a glossary defines and reinforces must know terminology. This clearly written comprehensive and current textbook by Susan Gass, Jennifer Behney and Luke Plonsky is the ideal textbook for an introductory SLA course in second language studies, applied linguistics, linguistics, TESOL and/or language education programs. This textbook is supported with a companion website containing instructor and student resources including powerpoint slides, exercises, Stroop tests, flashcards, audio and video links. routledge textbooks.com/textbooks/9781138743427

Robert Jay Woff experienced a prolific career both as an artist and teacher. In 1938 he was asked by Bauhaus pioneer Moholy Nagy to be dean and head of the painting and sculpture department at Chicago's new Bauhaus reorganized under the name School of Design. From 1946 to 1964 he was the chairman of the art department at Brooklyn College and from 1964 until 1969 he headed its graduate art program. He also was a distinguished visiting lecturer at the Graduate School of Design at Harvard as well as a visiting professor of art at the Massachusetts Institute of Technology.

From eyes to ears, tummy to nose, legs to toes, there's a lot for baby to discover and even more for a family to love. Bright, buoyant art and a rolly-poly little baby are sure to inspire plenty of giggling and grabbing and feet in the air. In for every baby and every parent who loves that baby to bits, here's the perfect first book.

A delightful introduction to our bodies and actions featuring favorite animals. Crouch down like a tiny mouse, stretch up tall like a big furry bear, flip-flop your feet and wiggle waddle to and fro. In the blink of an eye you're a duck in a pond, you're a mouse in a house, you're a bear in a lair. As you turn from page to page, join in to see what wonderful animal you can be. From the top of our heads to the tips of our toes, our bodies do amazing things. Add a dash of

imagination and there s no end to what we can be a puppy dog cocking its ears to hear a faraway sound a kangaroo using its strong legs to leap over a puddle or a bear catching a slippery fish in a stream brimming with imagination and delight nose to toes is a unique picture book that will inspire young readers to think about how different parts of their bodies can be used but that s only the beginning they are then encouraged to take each of these actions a step further by playing a classic childhood game of let s pretend which gently reinforces easy to understand connections to actions of well loved animals bright informative and interactive nose to toes is a simple and fun way for young readers to learn about themselves and other animals featuring favorite animals such as a lamb a lion a kangaroo and a duck marisol sarrazin s magical art is a rainbow of vibrant color and is the perfect complement to marilyn baillie s lyrical and rhythmic writing
