from eternity to eternity is the story of bulpil sunim arguably the most respected female seon zen master in korea written with candor and an unpretentious sense of humor her memoir provides both a fascinating record of her life and a deeply accessible window into buddhist thought and spirituality describing and reflecting on her own experience of meditation and her journey as a woman in a male dominated religious practice she reveals the largely unknown realities of female monastic life in korea she also provides an unprecedented glimpse into her relationship with her father the legendary seon master seongcheol sunim who was widely considered a living buddha in korea this lyrical autobiography the first of its kind in korean buddhist literature offers readers a chance to learn about korean seon meditation and practice from a woman s perspective and will be of interest not only to scholars of buddhism but to general readers curious about buddhism the experiences of religious women or simply the remarkable life of a great spiritual leader

the author of this booklet has used a lot of effort and time to organize relevant scriptures so that we can examine god s plan from the bible the historical view of the word of god helps us master god s entire plan inspire us to work with the lord

twenty years after stephen hawking s 9 million copy selling a brief history of time pioneering theoretical physicist sean carroll takes our investigation into the nature of time to the next level you can t unscramble an egg and you can t remember the future but what if time doesn t or didn t always go in the same direction carroll s paradigm shifting research suggests that other universes experience time running in the opposite direction to our own exploring subjects from entropy and quantum mechanics to time travel and the meaning of life carroll presents a dazzling new view of how we came to exist

the middle ages witnessed a shift in thinking about the way god is related to time for most of the earlier middle ages scholars had followed an earlier patristic tradition of describing god as eternal and thus as timeless or outside of time in the early thirteenth century however members of the franciscan order who played a significant role in the development of the recently founded universities re defined god s relationship to time in terms of his everlastingness on their account god is infinite in temporal duration rather than simply timeless since he has no beginning and no end so construed god encompasses and is able to relate to every moment in time in a way that the franciscans believed was not possible on the eternalist account this book will discuss some of the factors that contributed to their shift in thinking about god as everlasting instead of eternal among these the book will identity a transition in defining the basic nature of god as either simple for proponents of eternity or infinite for proponents of everlastingness as well as the franciscan adoption of the metaphysics of the eleventh century islamic philosopher avicenna

from eternity to eternity offers readers a well researched and clear overview of god s interaction with humanity and a chronology of biblical events from eternity past to eternity yet to come
