americans in the 1950s faced the challenge of negotiating the new medium's place in the home and in american culture in general using the american protestant experience of the introduction of television rosenthal illustrates the importance of the interplay between a new medium and its users

judeo christian is a remarkably easy term to look right through judaism and christianity obviously share tenets texts and beliefs that have strongly influenced american democracy in this ambitious book however k healan gaston challenges the myth of a monolithic judeo christian america she demonstrates that the idea is not only a recent and deliberate construct but also a potentially dangerous one from the time of its widespread adoption in the 1930s the ostensible inclusiveness of judeo christian terminology concealed efforts to promote particular conceptions of religion secularism and politics gaston also shows that this new language originally rooted in arguments over the nature of democracy that intensified in the early cold war years later became a marker in the culture wars that continue today she argues that the debate on what constituted judeo christian and american identity has shaped the country's religious and political culture much more extensively than previously recognized

today people are curious about who the wasps really are and were with searing objectivity shaded by a compassionate intelligence marty exposes the racism intellectual complexity and peculiar flexibility that helped to make up the unique institution american protestantism was at its height the author structures his investigation around problems of conflict between races social classes between denominations and schools

in the lost soul of american protestantism d g hart examines the historical origins of the idea that faith must be

socially useful in order to be valuable through specific episodes in presbyterian lutheran and reformed history hart presents a neglected form of protestantism confessionalism as an alternative to prevailing religious theory he explains that unlike evangelical and mainline protestants who emphasize faith s role in solving social and personal problems confessional protestants locate christianity s significance in the creeds ministry and rituals of the church although critics have accused confessionalism of encouraging social apathy hart deftly argues that this form of protestantism has much to contribute to current discussions on the role of religion in american public life since confessionalism refuses to confuse the well being of the nation with that of the church the history of confessional protestantism suggests that contrary to the legacy of revivalism faith may be most vital and influential when less directly relevant to everyday problems whether personal or social clear and engaging d g hart s groundbreaking study is essential reading for everyone exploring the intersection of religion and daily life

offers a series of fresh perspectives on america s encounter with catholicism in the nineteenth century while religious and immigration historians have construed this history in univocal terms jon gjerde bridges sectarian divides by presenting protestants and catholics in conversation with each other in so doing gjerde reveals the ways in which america s encounter with catholicism was much more than a story about american nativism nineteenth century religious debates raised questions about the fundamental underpinnings of the american state and society the shape of the antebellum market economy gender roles in the american family and the place of slavery were only a few of the issues engaged by protestants and catholics in a lively and enduring dialectic while the question of the place of catholics in america was left unresolved the very debates surrounding this question generated multiple conceptions of american pluralism and american national identity

blending inspirational memoir with a religious and political rebuke of american christianity the oldest daughter of senator robert f kennedy delivers a rousing call to arms for spiritual renewal for too long religion has been a political plaything of the right wing in this country american churches seem more concerned with what people do with their bodies than with their souls now kathleen kennedy townsend issues a spiritual call to arms to those who feel like her that today s churches catholic and protestant alike are failing to promote the welfare of those who depend upon them after recounting her personal story in one of the most prominent catholic families in america she shows how america s neediest are now forgotten while their churches fight political battles against abortion rights and

homosexual marriages she provides hope through powerful examples of individuals effecting change from obscure social workers to the purpose driven life s rick warren and maintains that our individual actions can return our churches to their traditional role as shepherds to their flock

with articles dealing with denomination law public policy and financing this anthology grants an evenhanded view of the impact of religion on our nation s public schools

for 350 years protestantism was the dominant religion in america and its influence spilled over in many directions into the wider culture religious historian martin e marty looks at the factors behind both the long period of protestant ascendancy in america and the comparatively recent diffusion and diminution of its authority marty ranges across time covering such things as the establishment of the jamestown settlement in 1607 the 1955 publication of will herberg s landmark book protestant catholic jew and the current period of american ethnic and religious pluralism for centuries american protestantism dominated in three main ways says marty in the sheer numbers of its committed practitioners spread across some two hundred denominations in the protestant leanings of nonadherents and in the influence of the protestant ethic in activities as diverse as business and art to discover what is particularly american about protestantism in this country marty looks at protestant creencias or beliefs that complement or supplement pure doctrine these include the notion of god as an agent of america s destiny and the impact of the biblical credos of mission stewardship and vocation on innumerable nonreligious matters of daily life marty also discusses the vigencias or binding though unwritten customs of protestantism they include the tendencies to interpret matters of faith in market terms and to conflate biblical and enlightenment ideology into civic faith challenges to protestant hegemony came and went over the centuries says marty but never in such force and to such effect as in the twentieth century among other factors contributing to the rise of pluralism and to schisms between mainstreamers and fundamentalists marty lists changes in immigration laws u s supreme court decisions on school prayer the women s movement and vatican ii today our protean spirituality is the topic of everything from sermons to bumper stickers all in all this is good reassures marty for to debate our spirituality is to sustain the life of a functioning thinking believing republic those who pine for some golden age of protestantism are misled by nostalgia or resentment the real work to be done by protestants now is to serve partner and cooperate where they once managed controlled and directed

examines the nation's first widely publicized case involving the concept of clergy malpractice and the questions it raised regarding separation of church and state, free exercise of religion and state regulation of non-professional counseling.

As recognized, adventure as without difficulty as experience approximately lesson, amusement, as without difficulty as accord can be gotten by just checking out a book. **Gospel According To The Klan The KKKs Appeal To Protestant America 1915 193** afterward it is not directly done, you could believe even more going on for this life, nearly the world.
