one hundred named women of the bible is a walk through the bible from beginning to end highlighting the lives and experiences of women as the major characters it may appeal to the beginning bible student as well as those with more advanced expectations from the lives of these women we glean lessons in love and hate victory and defeat grief and gladness courage and fear and faith and forgiveness we see a progression in opportunities from women being allowed to say very little in the beginning to being able to make major decisions in the end in the old testament the first woman eve introduced the world to sin in the new testament another woman mary presents the world with a savior what a contrast

this splendid reference describes every woman in jewish and christian scripture monumental library journal in recent decades many biblical scholars have studied the holy text with a new focus on gender women in scripture is a groundbreaking work that provides jews christians or anyone fascinated by a body of literature that has exerted a singular influence on western civilization a thorough look at every woman and group of women mentioned in the bible whether named or unnamed well known or heretofore not known at all they are remarkably varied from prophets to prostitutes military heroines to musicians deacons to dancers widows to wet nurses rulers to slaves there are familiar faces such as eve judith and mary seen anew with the full benefit of the most up to date results of biblical scholarship but the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names combining rigorous research with engaging prose these articles on women in the hebrew bible the apocryphal deuterocanonical books and the new testament will inform delight and challenge readers interested in the bible scholars and laypeople alike together these collected histories create a volume that takes the study of women in the bible to a new

level

this work includes 1000 entries covering the spectrum of defining women in the contemporary world

women in the gospel of mark provides a literary analysis of every passage dealing with women in mark this analysis is placed against a first century understanding of women to show how both the author and a first century audience create the characterization of women from how the narrative is told

women and gender in chinese martial arts films of the new millennium by ya chen chen is an excavation of underexposed gender issues focusing mainly on contradictory and troubled feminism in the film narratives in the cinematic world of martial arts films one can easily find representations of women of ancient china released from the constraints of patriarchal social order to revel in a dreamlike space of their own they can develop themselves protect themselves and even defeat or conquer men this world not only frees women from the convention of foot binding but it also unbinds them in terms of education critical thinking talent ambition opportunities to socialize with different men and the freedom or right to both choose their spouse and decide their own fate chen calls this phenomenon chinese cinematic martial arts feminism the liberation is never sustaining or complete however chen reveals the presence of a glass ceiling marking the maximal exercise of feminism and women s rights which the patriarchal order is willing to accept as such these films are not to be seen as celebrations of feminist liberation but as enunciations of the patriarchal authority that suffuses chinese cinematic martial arts feminism the film narratives under examination include crouching tiger hidden dragon directed by ang lee hero zhang yimou house of the flying daggers zhang yimou seven swords tsui hark the promise chen kaige the banquet feng xiaogang and curst of the golden flower zhang yimou chen also touches upon the plots of two of the earliest award winning chinese martial arts films a touch of zen and legend of the mountain both directed by king hu

the enfranchisement of women presents a significant challenge to kuwait s traditional system of politics and tribe this step in the

democratization process is however more likely to strengthen rather than weaken state control over domestic politics based on first hand research and an extensive analysis spanning three decades this book demonstrates how the relationship between women and the state has come to shape kuwaiti society and national politics
