centered around a reflective narrative recounting the experiences of a participatory action research project into leading online small groups for adults in the church of sweden diocese of stockholm during 2021 and 2022 the dissertation argues for the need to reconceptualize and reemphasize teaching as an important aspect in christian religious education employing creative non fiction methods the dissertation aims to broaden the scope of the initial online small groups project by inviting readers to join into a learning journey the narrative account is complemented with more traditional forms of analysis that connect experiences from online small groups in the church of sweden to similar research from anglo saxon countries noting especially how notions of community diverge due to different ecclesiological understandings insights are then synthesized into eight teaching strategies aimed at communicating actionable knowledge to small group leaders before noting how the

study complements research on christian religious education and particularly the current debate about learning and teaching in the church of sweden
