a new texas politics book with a proven approach

reflecting the insights of authors who have written about taught or participated in texas government and politics for over 20 years this text explores texas government and its relationship to the people it serves and to the federal and local governments that form the american political system merging the writing styles of an academic and a professional newsman this treatment of texas politics is scholarly and exceedingly readable

the voting rights act of 1965 which originally was intended to prohibit barriers to black registration and voting has been hailed as a triumph for civil rights and as a catalyst for the election of minorities to public office in both the deep south and the urban north to advance its objective federal courts instructed many cities to change from at large to single member district electoral systems as a way to ensure that minorities had a reasonable chance to elect representatives of their choice in the first book to critique the implementation of this

landmark legislation in a major american city ruth morgan examines its effect on local governance over forty years in dallas and shows that it had unintended consequences for racial politics representation and public policy breaking from studies that measure the success of the vra in terms of increased minority representation morgan assesses the consequences of the act for dallas city government and for the wider interests of minorities as well while endorsing the original intent of the vra morgan believes that this intent was subverted by subsequent amendments to the act and by the courts attempts to advance the political standing of particular minority groups she argues that court imposed single member districts have created in dallas a city council infected with parochialism and careerism a result of members no longer having to compromise to win citywide votes and have had an adverse impact on governmental effectiveness and voter turnout with corruption and cronyism now rampant voting rights legislation and litigation have ultimately failed to fulfill the hopes and aspirations of the unempowered and the district system has created an incentive for continued racial separation governance by decree offers a pointed assessment of the complexities and contradictions produced by the voting rights law while at the same time calling for the federal judiciary to exercise restraint in imposing its will when it lacks the capacity to make choices that are inherently political morgan s powerfully argued case study should inspire much debate and inform forthcoming congressional deliberations over the renewal of the preclearance section of the vra in 2007

working within the framework of law and politics judicial process law courts and politics in the united states focuses on the social political and economic dynamics of the legal system

the standards on state judicial selection were approved by the american bar association house of delegates in july 2000 prelim p

offers an analysis of state and local american government and politics providing current information on topics such as who and what influences policy the politics of governors and state legislatures how judges are chosen and the managing of political conflicts at grass roots level
