get accurate information about scottish clans family associations and societies in this updated edition of scottish clans and their associated families robert j heston expands on his groundbreaking work to focus on the standing council of scottish chiefs scsc list of 353 clans in addition the author has retained the details of thirty three scottish families who are active in the united states and not cited in the scsc list when using this book it is important to note that most scottish clan and family organizations have clauses in their family lists stating that variations in spelling of these names are accepted therefore this book provides the researcher the ability to look beyond an exact spelling of a name other books on this subject focus on a small number of clans ancient names and the preferred spellings of these small number of families some associate an individual name to a tartan which can be problematic with more than 12 000 names with the sources where these names were found this work is the best source focused on identifying family surnames associated with scottish clans houses and families

the oxford history of the irish book is a major series that charts one of the most venerable book cultures in europe from the earliest manuscript compilations to the flourishing book industries of the late twentieth century for the first time it offers a history of the irish book as a created object situated in a world of communications trade transport power and money and examines the ways in which books have both reflected and influenced social political and intellectual formations in ireland it is an important project for the understanding of ireland s written and printed heritage and is by its nature

of profound cross cultural significance embracing as it does all the written and printed traditions and heritages of Ireland and placing them in the global context of a worldwide interest in book histories volume ii with eighty two chapters by seventy leading commentators on and participants in Irish book history spans approximately 450 years of Irish language book production distribution and reception it begins with the 1567 publication of John Carswell's Gaelic version of the Book of Common Order and follows the story of the printed book and journalism in Irish into the twenty first century the internet ebooks and other formats the volume covers religious publications from the sixteenth to eighteenth century competing versions of Irish history seventeenth and eighteenth century texts which reflected an antiquarian interest in Ireland and its culture ongoing literary production in the nineteenth century printers publishers literacy books and volumes produced by learned societies interested in Irish language and culture Gaelic revival publications post independence literature and its publishers journalism from the late eighteenth to twenty first century lexicography nonfiction educational publishing folklore and place lore translation the contribution of scholars from outside Ireland publishing in the Irish diaspora typography book design and illustration the reception of Irish language texts from censorship to bestsellers book collection and finally sources for the study of Irish book history this major study of Irish language book history provides a useful resource for readers interested in Irish history book history Irish studies the Irish language Celtic studies translation studies linguistics post colonialism and the Irish diaspora

Ireland was one of the earliest countries to evolve a system of hereditary surnames more than 4 000 Gaelic Norman and Anglo Irish surnames are listed in this book giving a wealth of information on the background and location of Irish families Edward MacLysaght was a leading authority on Irish names and family history he served as chief herald and genealogical officer of the Irish Office of Arms he was also keeper of manuscripts of the National Library of Ireland and was chairman of the Manuscripts Commission this book which was first published in 1957 and now is in its sixth edition is being reprinted for the fourth time and remains the definitive record of Irish surnames their genealogy and their origins
