in 2010 ronnie lessem and alexander schieffer published their seminal work on integral research and innovation whereby they identified the four r s relational and renewal reason and realization based research paths that altogether encompass the major qualitative research methods and methodologies within each path they identified a trajectory from origination to transformation via foundation and emancipation however these paths underlying the research process conventionally termed method were disconnected from the integral economic and enterprise content conventionally termed literature with which they were concerned in this book integral renewal they seek to remedy such in two major respects as transformative masters and phd programs are focused on the global south where the vast majority of the world s population is based as well as those developmental agencies focused on such the great majority of the people with whom the authors deal select the relational research path and the path of renewal over and above the paths of reason and realization the focus of this book will be on these two paths of integral research now interconnected with integral enterprise and economics uniquely the authors pursue

research and innovation in a systematic way in that respect while their prior integral research book still provides the research foundation for the four southern and eastern northern and western paths this book will focus on the former two relational southern and renewal eastern from the combined perspectives of research process and economic and enterprise content

this companion to the classical quarterly contains reviews of new work dealing with the literatures and civilizations of ancient greece and rome over 300 books are reviewed each year
