having successfully weathered the structural problems of the 1979 81 period korea has begun far sighted programs of reform which it hopes will facilitate the industrial transition needed to push it towards the ranks of the industrialized countries the economy is thus in a period of rapid change and the conduct of public policy towards key sectors is undergoing a similar transformation this economic report therefore serves a number of purposes first it provides a review of recent economic developments and the principal issues influencing korea s achievement of its sixth five year plan goals second it addresses in a broad fashion the conduct of industrial policy and third it provides a selective yet in depth look at certain key topics related to macroeconomic and industrial policy with respect to industrial policy the korean incentive regime is assessed in light of the interventionist posture of government in the 1970s and the ensuing reform movement the process of trade and financial liberalization is analyzed and korea s industrial structure is discussed in some detail finally the formulation of future industrial policy is addressed and issues are identified with respect to declining industries conglomerate policy and emerging industries

this book is an ethnographic account of education and migration from the perspective of three groups of south koreans in contemporary china migrant parents children students and educational agents the book reveals how these temporary migrants make choices plan their trajectories and engage with the authorities both in china and south korea migrant subjectivities among these groups are driven by and respond to the education migration regimes of both the sending and receiving countries as people in between they occupy flexible and multiple positionalities that are transnationally distributed however paradoxically they experience a juxtaposition of privilege integration and separation which is indicative of the chinese style of internationalisation the book adds weight to the argument that china is a temporary destination for foreigners and not one for long term settlement
