academic writing often requires students to incorporate material from outside sources like statistics ideas quotations paraphrases into their own written texts a particular obstacle for students who lack strong reading skills in connecting reading and writing in second language instruction alan hirvela contends that second language writing students should be considered as readers first and advocates the integration of reading and writing instruction with a survey of theory research and pedagogy in the subject area although the integrated reading writing model has

gained popularity in recent years many teachers have little more than an intuitive sense of the connections between these skills as part of the popular michigan series on teaching multilingual writers connecting reading and writing in second language instruction will provide invaluable background knowledge on this issue to esl teachers in training as well as teachers who are already practicing

this essential teaching guide focuses on an emerging body of literature by u s latina and latin american women writers it will assist non specialist educators in syllabus revision new course design and classroom presentation the inclusive focus of the book that is combining both us latina and latin american women writers is significant because it introduces a more global and transnational way of approaching the literature the introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware the collection seeks to provide readers with a variety of latina texts that will guarantee its long term usefulness to teachers and students of pan american literature because it is no longer possible to understand u s latina literature without taking into consideration the histories and cultures of latin america the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in u s and latin american women s cultural productions in this context the term latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan american women s literature

contains information on various pennsylvania military orphan schools including description activities and finances with some registers of students
