it can safely be said that when literary texts are utilized or adapted by a musician to create a new work of art it is seldom that a diminished or lessened product results rather such a merging usually enlarges and enhances both text and tune perhaps significantly changing the message of the original discovering exactly what the new form has to offer and how it relates to the text or melody that preceded it is often a daunting task requiring a close examination of both the author s and the composer s intent the essays in this collection offer an analysis of several adaptations some successful some not so successful and attempt to assess just what the musicians or writers have modified or changed from to the original as they re form it into an altogether different media ranging from pasternak s appropriation of tchaikovsky to britten s operatic versions of billy budd and the turn of the screw from celan s use of fugal technique in his todesfuge to the way that the musicianship of several women writers found voice in their writing a broad spectrum of collaborations is examined as readers examine an author s respect for a long dead musician hopkins admiration of purcell or as they discover how john harbison worked to transform fitzgerald s musicality in the great gatsby it will be evident that musical adaptations often provide a richness that the originals did not possess and that the potential for greatness is heightened when the arts intersect

race music and national identity is the first book length study to examine closely the portrayal of jazz in american fiction during the most critical and dynamic years of the music s development the principal argument suggests that the discourse on jazz was informed largely by a broad range of anxieties endemic to the turbulent decades of the mid twentieth century as the united states faced a new crisis in either foreign or domestic policy writers and intellectuals often used jazz as a forum to change both the public s understanding of the musical tradition as well as the nation s understanding of itself in many ways the rise of jazz from low to high art was a product of this discourse the study relies on a close reading of several notable authors including f scott fitzgerald langston hughes eudora welty ralph ellison and jack kerouac but also responds to a broad range of popular writers from the decade whose contribution to the discourse on jazz has been largely forgotten this book provides an insightful glimpse into how the united states negotiates and ultimately understands its own cultural artifacts paul mccann is an english professor at del mar college

when our students enter middle and high school the saying goes that they stop learning to read and start reading to learn then why is literacy still a struggle for so many of our students the reality is that elementary school isn't designed to prepare students for othello and song of solomon so what do we do love and literacy steps into the classrooms of extraordinary teachers who have guided students to the highest levels of literacy there is magic in their teaching but that magic is replicable it starts with a simple premise kids fall in love with texts when they understand them and that understanding comes from the right knowledge and or the right strategy at the right time love and literacy dissects the moves of successful teachers and schools and leaves you with the tools to make these your own research based best practices in facilitating discourse building curriculum guiding student comprehension and analysis creating a class culture where literacy thrives and more video clips of middle and high school teachers implementing these practices an online print ready reading and writing handbook that places every tool at your fingertips to implement effectively discussion questions for your own professional learning or book study group great reading is more than just liking books it's having the knowledge skill and desire to experience any text in all its fullness love and literacy guides you to create environments where students can build the will and wherewithal to truly fall in love with literacy
