leading international scholars consider the films and legacy of Howard Hawks diverse contributions consider Hawks' work in relation to issues of gender, genre and relationships between the sexes discuss key films including *Rio Bravo*, *The Big Sleep* and *Red River* and address Hawks' visual style and the importance of musicality in his film making

the extraordinary wartime incident at Fort Stevens fascinates us pause for a minute and just think about it a twenty-three year old American soldier screams at the president of the United States in the midst of a battle calls him a damned fool and gets him out of harm's way and then with bullets whizzing by they both proceed as if nothing unusual happened all in a day's work nothing special no medal no White House ceremony no photo op nothing what a scene it is almost too fantastic too dramatic to be real too amazing to be true a movie director like Steven Spielberg could do wonders with it imagine the cinematic possibilities Daniel Day-Lewis could reprise his role as Lincoln and Jake Gyllenhaal or Ryan Gosling could play the youthful Holmes it would be a box office hit a patriotic classic and what variety would call *Socko Boffo*

Great American Folklore gathers together nearly three hundred of the most entertaining legends, tall tales and ballads from America's distinctive oral heritage

there is no doubt in my mind that the spirit of God is connected to the human brain within the skull the human brain is not limited to the boundaries of the skull instead it goes beyond the physical barriers of our planet and into the spiritual world my Christian faith as a Coptic Egyptian Orthodox was the main reason I chose to be a neurosurgeon it is in this way how my soul becomes closer to Lord Jesus Christ I have devoted my life and withstood a very long journey in medicine and neuroscience leaving my home country of Egypt and coming to America to strive in the difficult fields of neurological surgery neuroscience and anesthesiology every day my soul learns more and more about my Lord Jesus I see Him in my patients in my surgeries and in my surroundings deep within the brain lies the spirit of Christ as the author I explore not only the connectivity of the human brain with the spirit of God but also the spirit of Christ in my neurosurgery practice my human brain continues to be both thirsty and hungry for more and more of His eternal love in this present book of sixty-five chapters much of my soul I wish to share with you the beloved reader a section is designated to my most recent neurosurgery patients testimonials and experiences another section reflects upon the biblical words used during President Donald Trump's inauguration and Melania's speech and the President's visit to the Middle East for peace
