in 2004 julie rowe was a happy wife and mother then her health took a turn for the worse while in a weakened state her spirit left her body and entered the spirit world an ancestor named john greeted her and showed her many wonderful places there he also allowed her to read from the book of life which showed her a panorama of the earth s past present and future julie saw the lives of many historical figures such as adam and eve enoch noah and moses she witnessed the savior s mortal life

including his crucifixion and resurrection she also saw the restoration of the church of Jesus Christ through the prophet Joseph Smith and key events that have led to the church's growth then Julie was shown upcoming world events that will be both tragic and glorious she saw earthquakes tsunamis famines plagues and wars but she also witnessed how the Lord is watching over his people and is preparing places of refuge to protect them from the coming calamities Julie was filled with joy as she saw the saints establish the new Jerusalem and other cities of light in preparation for the Savior's second coming prior to her return she was told that at a future time she would be expected to tell others about her experience that time has come

In 2014 Julie Rowe published a book entitled *A Greater Tomorrow* in which she shared near death experiences and subsequent dreams and visions where she was shown many of the destructions to precede the second coming of the Savior in the years that have followed she has continued to lift a warning voice publishing two other books speaking at conventions and on radio programs and publishing podcasts she is even soon to release a video documentary meant to help her message get to a new audience her story has sent ripples through the LDS community and has caused many to question whether or not she is a true messenger some have even challenged her right to share such a message at all this book examines the doctrinal case for messengers such as Julie Rowe providing clarity not only on why such individuals can arise in a society ripening for destruction but why they absolutely must exist

Julie Rowe first gained national attention in 2014 with the publication of her book *A Greater Tomorrow* and the time is now in those books she told of her near death experience when she was taken to the spirit world and was shown future world events Julie also appeared on several radio talk shows to spread her message of the need to prepare for troubled times the social media firestorm that followed was very intense as supporters defended her and naysayers ridiculed her through it all Julie stood by her story now Julie is ready to share more about her life in this book she explains that she has been a visionary person since childhood she has also been through many trials that have shaped who she is and why she knows her message is inspired from heaven Julie Rowe received her Bachelor of Science degree from Brigham Young University in 1999 and her teaching certificate from the University of Saint Mary in 2010 she and her husband Jeff have three children and live in the

leaving her home family job friends and a fiancée she joined the Women's Auxiliary Army Corps in World War II this is her story in her words
