a spirited retelling of several greek myths

the classical heritage continues to impact modern culture in many ways this bibliography lists and describes those books on greek and roman mythology from the mid 19th century to the present which are useful for introducing children to the classical world the volume begins with a brief history of children s books on classical mythology in the united states a chapter then discusses the various techniques through which classical myths were adapted for children the annotated bibliography follows with each entry including a critical annotation on how closely the work adheres to the original myth each entry also includes an indication of the grade level of each book indexes allow the user to locate sources according to title illustrator time period myth and subject

this book is an interdisciplinary guide to connect art lessons with core curriculum social studies language arts math and or science are supported in every unit it is an ideal source for

elementary and middle school teachers to enrich their curriculum it is an invaluable tool for art teachers to provide an interdisciplinary art curriculum that connects 21st century skills and national standards problem solving cooperative learning and inquiry based experiences are explored in every lesson

overwhelmingly critical practitioners working across a range of human service fields who are committed to emancipatory and progressive social change ideals report feeling powerless alienated from the means of change and hopeless about their capacities to make a difference in the lives of the individuals groups or communities with whom they work because of restrictive contexts that ultimately determine the nature and parameters of their work this ground breaking book addresses this dilemma by demonstrating how critical reflection as an educational tool enables practitioners to envision possibilities for change the legal system particularly in its response to sexual assault provides a perfect example of this type of context and this volume explores the work of sexual assault practitioners that are engaged in supporting victims survivors of sexual assault through the legal process by reshaping ideas that have previously been considered as predominantly theoretical and abstract morley s work provides an innovative framework that enables social work and human services practitioners to find hope agency and practical strategies to work towards change despite operating in contexts that appear immutably oppressive

contemporary british women writers is a collection of ten essays each devoted to an important novelist and written by a distinguished scholar included in this volume are sybille bedford anita brookner a s byatt angela carter isabel colegate penelope fitzgerald susan hill molly keane muriel spark and fay weldon each essay focuses on several novels selected to reveal the novelist s consistent concerns and characteristic strategies individual bibliographies provide a full sense of the novelist s work as well as a discriminating guide to the best critical work available

informed by newly available diaries and correspondence here is the first comprehensive biographical and critical study of this enigmatic writer whose tragic suicide at the age of thirty one served to plunge her fascinating body of work into obscurity

the past three decades have seen the united states increasingly involved in the affairs of countries in all parts of the globe americans have become familiar with places which as schoolchildren they never even knew existed the end of american isolation has resulted in a spate of juvenile literature admirably suited to encourage children to know and understand the larger world in which they live teachers and librarians must of necessity be leaders in this endeavor it is hoped this book will make their task easier
