in the customer service revolution dijulius points out how numerous companies
have made customer service their biggest competitive advantage are
dominating their industries and have made price irrelevant as a result of this
customer service revolution people are being treated differently better and in a
way like never before this is a result of how companies and management are
treating their employees and how employees are treating each other and the
customer which ultimately permeates into people's personal lives at home and in
their communities can the way you run your business or treat your customers
have an effect on the world at large john dijulius will show you just that drawing
on years of experience consulting with the top customer service companies
around the world and in his role building his first business john robert's spa into
one of the top 20 salons in the us dijulius will show you exactly how to create your
very own customer service revolution and make price irrelevant

this book explores the impact in japan of the rise of global coffee chains and the
associated coffee culture based on extensive original research the book
discusses the cultural context of japan where tea drinking has been culturally
important reports on the emergence of the new coffee shop consumer experience
and reflects on the link between consumption and identity on cultural fantasies
about modern western or global lifestyles on the effects of global standardization
and on much more

this book focuses on how to succeed in china the globe's largest consumer

market through the branding market strategy what are the undisclosed recipes that brands can follow to capture the attention and emotion of consumers in china what s the magical key to open the locked doors the answer to these questions would be intriguing for many readers outside china including but not limited to executives of global brands owners of medium and small sized businesses aiming for the global market branding marketing professionals financial investors and analysts business professors and researchers in universities and colleges graduate and undergraduate students and readers with an interest on these topics in the general public in comparison with many case studies that focus on only a single or few cases or else lean toward being a macro discussions of china s consumer market without in depth analysis of representative cases this book provides both many branding strategies programs and activities presented in this book are of the innovative type which could be very fresh and interesting to readers many of the in depth analyses and specific insights presented in this book are provided by well recognized business analysts writers which may not be available in other publications overall this book provides readers with the opportunity to receive some valuable new knowledge about how to succeed in the globe s largest consumer market providing foodstuff for both thought and enjoyment

through a variety of archival documents artefacts illustrations and references to primary and secondary literature on the job explores the changing styles business practices and lived experiences of the people who make sell and wear service industry uniforms in the united states it highlights how the uniform business is distinct from the fashion business including how manufacturing developed outside of the typical fashion hubs such as new york city and gives attention to the ways that various types of employers small business corporate government and others differ in their ambitions and regulations surrounding uniforms on the job sheds new light on an understudied yet important field of dress and clothing within everyday life and is an essential addition to any fashion historian s library appealing to all those interested in material culture the service industry heritage and history
