the cultural phenomenon known as decadence has often been viewed as an ephemeral artistic vogue that flourished briefly in late nineteenth and early twentieth century europe this study makes the case for decadence as a literary movement in its own right based on a set of aesthetic principles that formed a transitional link between romanticism and modernism understood in this developmental context decadence represents the aesthetic substratum of a wide range of fin de siecle literary schools including naturalism realism parnassianism

aestheticism and symbolism as an impulse toward modernism it prefigures the thematic structural and stylistic concerns of later literature. David Weir demonstrates his thesis by analyzing a number of French, English, Italian, and American novels, each associated with some specific decadent literary tendency. The book concludes by arguing that the decadent sensibility persists in popular culture and contemporary theory with multiculturalism and postmodernism representing its most current manifestations.

Essays on American writers whose lives and careers span the history of hard-boiled writing from its birth in American pulp magazines of the 1920s to the beginning of the twenty-first century. Characteristic of this writing is an objective viewpoint, impersonal tone, violent action, colloquial speech, tough characters, and understated style, usually but not limited to detective or crime fiction.
