comprised of contributions from scholars across the globe the oxford handbook of biblical narrative is a state of the art anthology offering critical treatments of both the bible s narratives

and topics related to the bible's narrative constructions the handbook covers the bible's narrative literature from genesis to revelation providing concise overviews of literary critical scholarship as well as innovative readings of individual narratives informed by a variety of methodological approaches and theoretical frameworks the volume as a whole combines literary sensitivities with the traditional historical and sociological questions of biblical criticism and puts biblical studies into intentional conversation with other disciplines in the humanities it reframes biblical literature in a way that highlights its aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to various forms of social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames and global communities

in this first full length study of emecheta's fiction fishburn highlights the difficulties inherent in reading across cultures she challenges the notion that all we need to understand african texts is a willingness to be open to them arguing that too many of the cultural and critical preconceptions we bring to these texts interfere with our ability to understand them directly responding to western feminist criticism written about emecheta this study argues that emecheta herself is not a feminist in the western sense and that her novels should not be construed as reflecting this political interest in close readings of eight of her best known works this study reveals a complex narrative voice which is far more supportive of emecheta's own african culture and its tradition than has been recognized previously

translated fiction has largely been under theorized if not altogether ignored in literary studies though widely consumed translated novels are still considered secondary versions of foreign masterpieces readers reading and reception of translated fiction in chinese recognizes that translated novels are distinct from non translated novels just as they are distinct from the originals from which they are derived but they are neither secondary nor inferior they provide different models of reality they are split apart by two languages two cultures and two literary systems and they are characterized by cultural hybridity double voicing and multiple intertextualities with the continued popularity of translated fiction questions related to its reading and reception take on increasing significance chan draws on insights from textual and narratological studies to unravel the processes through which readers interact with translated fiction moving from individual readings to collective reception he considers how lay chinese readers as a community received translated british fiction at specific historical moments during the late twentieth and early twenty first centuries case studies discussed include translations of stream of consciousness novels fantasy fiction and postmodern works in addition to lay readers two further kinds of reader with bilingual facility are examined the way critics and historians approach translated fiction is investigated from structuralist and poststructuralist perspectives a range of novels by well known british authors constitute the core of the study including novels by oscar wilde james joyce d h lawrence virginia woolf john fowles helen fielding and j k rowling
