there is a paradox in american christianity according to gallup nearly eight in ten americans regard the bible as either the literal word of god or inspired by god at the same time surveys have revealed gaps in these same americans biblical literacy these discrepancies reveal the complex relationship between american christians and holy writ a subject that is widely

acknowledged but rarely investigated the bible in american life is a sustained collaborative reflection on the ways americans use the bible in their personal lives it also considers how other influences including religious communities and the internet shape individuals comprehension of scripture employing both quantitative methods the general social survey and the national congregations study and qualitative research historical studies for context the bible in american life provides an unprecedented perspective on the bible s role outside of worship in the lived religion of a broad cross section of americans both now and in the past the bible has been central to christian practice and has functioned as a cultural touchstone from the broadest scale imaginable national survey data about all americans down to the smallest details such as the portrayal of noah and his ark in children s bibles this book offers insight and illumination from scholars across the intellectual spectrum it will be useful and informative for scholars seeking to understand changes in american christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment
