with the publication of her first novel in 1989 the joy luck club amy tan was immediately recognized as a major contemporary novelist her work has received a great deal of attention and acclaim from feminist critics and is very much concerned w

the joy luck club explores the lives of the women in four chinese american families and the daughters who struggle to fulfill or reject the cultural and familial expectations placed on them residing in san francisco s chinatown the characters reveal themselves through their stories to be incredibly strong women this guide to the joy luck club includes helpful critical excerpts for those studying the book an annotated bibliography an index for quick reference and an introduction by critic harold bloom

this volume presents four original survey essays that provide the reader with a useful framework for studying tan s novel the first essay begins by surveying the critical reception of tan s works particularly joy luck other essays consider the mechanics of tan s novel including structure narration style and themes and compare and contrast tan s book with michael cunningham s the hours previously published essays include an examination of the traditional chinese beliefs found in the novel a comparison of the joy luck club to the kitchen god s wife and two interviews with the author

new york times bestseller amy tan s modern classic that examines the sometimes painful often tender and always deep connection between mothers and daughters now with a new preface for me the joy luck club was one of those once in a lifetime reading experiences that you cherish forever it inspired me as a writer and still remains hugely inspirational kevin kwan author of crazy rich asians brilliant the washington post book world a jewel of a book the new york times book review amy tan is a writer of dazzling talent chicago tribune in 1949 four chinese women recent immigrants to san francisco begin meeting to play mah jong remember the past and gossip into the night united in unspeakable loss and new hope they call themselves the joy luck club with wit and sensitivity amy tan examines the memories that display these women s strength worries and determination as each woman reveals her secrets trying to unravel the truth about her life the strings become more tangled more entwined mothers boast or despair over daughters and daughters roll their eyes even as they feel the inextricable tightening of the matriarchal ties that they believe have stymied their ability to face the uncertainties of the future intimate and moving the joy luck club shows us how the inheritance of pain and unspoken secrets can lead to misunderstanding and yet how love can still offer the promise of reconciliation

the joy luck club is one of my favorite books from the moment i first started reading it i knew it was going to be incredible for me it was one of those once in a lifetime reading experiences that you cherish forever it inspired me as a writer and still remains hugely inspirational kevin kwan author of crazy rich asians part of the penguin orange collection a limited run series of twelve influential and beloved american classics in a bold series design offering a modern take on the iconic penguin paperback winner of the 2016 aiga design observer 50 books 50 covers competition for the seventieth anniversary of penguin classics the penguin orange collection celebrates the heritage of penguin s iconic book design with twelve influential american literary classics representing the breadth and diversity of the penguin classics library these collectible editions are dressed in the iconic orange and white tri band cover design first created in 1935 while french flaps high quality paper and striking cover illustrations provide the cutting edge design treatment that is the signature of penguin classics deluxe editions today the joy luck club in 1949 four chinese women recent immigrants to san francisco begin meeting to eat dim sum play mahjong and talk united in shared unspeakable loss and hope they call themselves the joy luck club with wit and sensitivity amy tan s debut novel now widely regarded as a modern classic examines the sometimes painful often tender and always deep connection between these four women and their american born daughters

presents a collection of critical essays about the works of amy tan

amy tan's very first novel *The Joy Luck Club* made her name known around the world. Her successful novels, picture books, and essays captivate readers of all ages. Tan's success has not come easily; however, she first had to learn to embrace her Chinese heritage and she had to deal with her stormy and trouble-filled childhood. But the author lives her life with enthusiasm and zest and continues to write award-winning fiction for her many readers.

This informative biography tells the story of a Chinese American woman who thought her dream of being a fiction writer would never come true. Her struggle with her cultural identity, the loss of her brother and her father, and how these events influenced herself and her writing are examined. Also included are in-depth discussions of her work as well as how the critics received them.

This is the most comprehensive study to date of Amy Tan's work, offering close readings of her texts in the context of broader debates about the representation of identity, history, and reality. In contrast with Tan's own American-born narrator and mainstream critics, Bella Adams looks beyond the stereotypes which appear in Tan's books and explores the ways in which Chinese immigrants and their American relatives struggle to understand each other's best qualities via the Chinese tradition of the talk story. She emphasizes Tan's American narrator's process of becoming Chinese and discovering real China and the significance of the ironic staging of these moments.

In the mid 1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work, once pigeonholed as ethnic literature, resonates with universal themes that cross cultural and ideological boundaries and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest, and uncompromising in its portrayal of Chinese culture and its affect on women, Amy Tan's work earned her both praise and excoriation from critics, adoration from fans, and a place as one of America's most notable modern writers. This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures, and events, allusions, motifs, and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work, a glossary of foreign terms found in her writing, and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

explores the life and career of author amy tan from her childhood in oakland california through her struggle to accept her chinese heritage to her career as a writer
