the first comprehensive history of italian socialism in english this book ranges from the defeat of socialism by mussolini in 1926 to its resurgence as a powerful force in italian politics today di scala has not only combed the archives of italy and america but also interviewed an array of prominent italian and american sources providing testimonies that are themselves likely to become important historical documents his sweeping intensive survey sheds new light on important socialists such as rodolfo morandi and pietro nenni and highlights the tremendous accomplishments of italy s first socialist prime minister bettino craxi di scala demonstrates that through a remarkable intellectual and political revival the socialists overcame their subjection by the communists and christian democrats and went on to radically transform the politics economy and international affairs of modern italy

the french invasion of italy under charles viii in 1494 95 has long been seen as inaugurating a new and wretched era in italian history the present volume the work of an international team of

contributors seeks to question that assumption by focusing anew on the intricate politics of renaissance italy and the long history of angevin attempts to impose their rule in southern italy it was later invasions it is argued that did most to reshape the politics of the italian peninsula these studies also look at social and economic effects of the french invasion as well as its cultural aspects not least the impact of renaissance culture in france itself combining survey papers and research articles this volume presents a new introduction to the history of late 15th century italy the appendix listing the ilardi collection of microfilms will also provide an invaluable guide to the diplomatic history of the era

this 2004 companion is a collection of specially commissioned essays on one of the most influential opera composers in the repertoire the volume is divided into four parts each exploring an important element of rossini s life his world and his works biography and reception words and music representative operas and performance within these sections accessible chapters written by a team of specialists examine rossini s life and career the reception of his music in the nineteenth century and today the librettos and their authors the dramaturgy of the operas and rossini s non operatic works additional chapters centre on key individual operas chosen for their historical importance or position in the present repertoire and include tancredi il barbiere di siviglia semiramide and guillaume tell the last section performance focuses on the history of rossini s operas from the viewpoint of singing and staging as well as the influence of editorial work on contemporary performance practice
