the kingdom of god second happiness is not something outside of us it consists in the practice of the virtues that bring about a personal transformation third the project of the kingdom leads us to live in love with others de mingo kaminouchi shows the reader a real model of this in the community we call the church the field hospital for all those in need of hope this book is accessibly written for readers not already well versed in christian ethics

applying christian ethics to everyday issues an introduction to christian ethics uses a christian approach while encouraging students to consider a variety of current ethical issues and apply relevant biblical and theological concepts to these issues the main goal of the text is to acquaint students with both the field of ethics in general and varieties of christian ethical systems in particular learning goals upon completing this book readers will be able to use a christian method of making moral decisions view issues from a christian perspective note mysearchlab with etext does not come automatically packaged with this text to purchase mysearchlab please visit mysearchlab com or you can purchase a valuepack of the text mysearchlab at no additional cost valuepack isbn 10 0205897851 valuepack isbn 13 9780205897858

kieran cronin helps philosophers and theologians to understand each other's perspectives on rights making this book a significant contribution to christian ethics and moral philosophy

this book was published in 1914 introduction a plea for the study of christian ethics the nature and scope of ethics the postulates of christian ethics ethical thought before christ the estimate of man the witness of conscience the miracle of the will modern theories of life the christian ideal standard and motive the dynamic of the new life virtues and virtue the realm of duty social institutions conclusion the permanence of christian ethics

a few years ago the first distinction that ethicists drew was the line between christian ethics and philosophical ethics however in our global context christian ethicists must now in addition compare and contrast various ethics christian ethics has become increasingly multivocal not only because of a plurality of faiths but also because of a plurality of christianities in light of these new realities this book will introduce christian ethics it will lay out history methods and basic principles every student must know the author also will include case studies for further explanation and application

ethical interpretations meet real life case studies and readings explore divergent views on morals in action

stanley j grenz masterfully leads readers into a theological engagement with moral inquiry that is a first rate introduction to christian ethics

the fifth edition of this classic introduction to christian ethics via the case method approach utilizing case studies of contemporary ethical issues

richard baxter s a christian directory christian ethics is a seminal work that explores the intricate relationship between theological principles and moral imperatives within the christian faith written in a clear didactic style baxter organizes the text into accessible sections that guide readers through ethical dilemmas and practical living drawing upon scripture and puritan theology the book serves as both a manual for ethical conduct and a spiritual guide addressing a range of topics from personal piety to societal responsibilities within a christian framework baxter a prominent 17th century puritan minister was deeply influenced by the turbulent socio political milieu of his time including the english civil war his pastoral experiences in bridgnorth and later in kidderminster where he sought to address the spiritual needs of his congregation shaped his understanding of christian ethics baxter s commitment to spiritual revival and personal holiness is evident throughout the text reflecting his desire to equip believers in navigating the complexities of moral life for those seeking profound insights into living a christian life grounded in ethical principles baxter s a christian directory christian ethics is an invaluable resource it is highly recommended for scholars practitioners and anyone interested in deepening their understanding of christian ethics in both historical and contemporary contexts in this enriched edition we have carefully created added value for your reading experience a succinct introduction situates the work s timeless appeal and themes the synopsis outlines the central plot highlighting key developments without spoiling critical twists a detailed historical context immerses you in the era s events and influences that shaped the writing a thorough analysis dissects symbols motifs and character arcs to unearth underlying meanings reflection questions prompt you to engage personally with the work s messages connecting them to modern life hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

in this contemporary classic originally published in 1963 paul lehmann answers the central question posed time and again to christians throughout the ages what am i as a believer in jesus christ and a member of his church to do lehmann argues that while principles for moral action can be rules of thumb there are no absolute moral norms beyond the general norm of love lehmann contends that christians are to act in every situation in ways that are consistent

with god's humanizing purposes but what that means changes from context to context and requires strong faith shaped discernment the library of theological ethics series focuses on what it means to think theologically and ethically it presents a selection of important and otherwise unavailable texts in easily accessible form volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

the routledge companion to christian ethics brings together two different but related disciplines the first is contemplative or theoretical asking what are the beliefs or doctrines that characterize christianity whilst the second is practical asking what are the ethical practices that attend its teachings the movement between the theoretical and practical aspects is not however one way as doctrine and life are mutually informing in this comprehensive volume leading scholars address key topics problems and debates in this hotly debated topic within a truly global context comprising over 35 chapters by a team of international contributors the handbook is divided into three parts based on the three persons of the trinity god the father god the son and god the holy spirit within these sections cutting edge issues are examined including god and genetics war peace and violence white supremacy creation and sexuality digital ethics transgender studies climate change immigration and refugees adopting a practical approach that must consider new concerns that have arisen with recent social political and cultural shifts the routledge companion to christian ethics is essential reading for students and researchers in christian ethics religious ethics and christianity studies the handbook will also be very useful for those in related fields such as ethics and philosophy
