the progress in international reading literacy study results is an assessment of the reading comprehension of students in 4th grade in 2006 results was administered to a nationally representative sample of 4th grade students in the U.S. as well as to students in 44 other jurisdictions around the world. This report compares the performance of U.S. students with their peers around the world and also examines how the reading literacy of U.S. 4th grade students has changed since 2001. Results are presented by student background characteristics (sex and race/ethnicity) and by contextual factors that may be associated with reading proficiency (school characteristics, instructional practices, and teacher preparation) and the home environment for reading.

Help fourth grade students improve their reading skills with fun and effective daily practice activities. 180 days reading for fourth grade uses interesting short passages to help students practice reading comprehension, word study, and written responses. The activities can also be used for intervention, skill building, or to address learning gaps.

Understanding reading abilities and their development is fundamental for language comprehension and human cognition. Now in its second edition, this book draws on research from multiple disciplines to explain reading abilities in both L1 and L2 and shows how this research can be applied in practice in order to support reading development. Research into reading has progressed a great deal since the first edition was published, so this edition has been completely updated and revised in order to reflect these advances. All chapters present updated research studies and completely new chapters are included on the neurocognition of reading, reading-writing relationships, and digital reading. If you want to know how reading works, no matter the language(s) involved, as well as how it can be taught effectively, this book provides a persuasive research foundation and many practical

insights it is essential reading for academic researchers and students in applied linguistics and tesol
