the reagan era is usually seen as an era of unheralded prosperity and as a high watermark of republican success president ronald reagan s belief in reaganomics his media friendly sound bites and can do personality have come to define the era however this was also a time of domestic protest and unrest under reagan the us was directly involved in the revolutions which were sweeping the central americas el salvador honduras and guatemala and in nicaragua reagan armed the contras who fought the

sandinistas this book seeks to show how the left within the us reacted and protested against these events the nation verso books and the guardian exploded in popularity riding high on the back of popular anti interventionist sentiment in america while the film maker oliver stone led a group of directors making films with a radical left wing message the author shows how the 1980s in america were a formative cultural period for the anti reaganites as well as the reaganites and in doing so charts a new history

a collection of political commentaries published originally in the wall street journal by a reagan critic no index no bibliography contributors from both britain and the us but mostly britain cover reagan's management of institutions congress the supreme court the cabinet councils and the white house staff the mass media the political parties and assess his leadership in the arenas of economic policy and foreign affairs generally oriented to the level of advanced undergraduate students and generally well done though an index is sorely lacking distributed in the us and canada by st martins press annotation copyrighted by book news inc portland or

discusses the role of minorities and women in american history and society from 1964 to 1990

the presidency of ronald reagan has become a rorschach test for politicians and citizens alike while many conservatives see the reagan era of the 1980s as the high water mark for their movement and a time of national recovery from the difficulties of the 1970s many liberals maintain that the rosy reagan legacy is based largely on myth and that in fact his eight years as president caused serious harm to the country john ehrman and michael w flamm give due attention to the lasting controversies surrounding the reagan record and provide a balanced view of the fortieth president's foreign and domestic policies students are encouraged to draw their own conclusions by reading key primary documents

papers of a conference held at u of california davis in may 1988 nineteen president watchers review the reagan administration's impact in four areas foreign policy economic and fiscal policy institutional changes and electoral and congressional relations annotation copyrighted by book news inc portland or

table of contents

examines the results of a research project sponsored by the volkswagen foundation that reviews the domestic foundations of the reagan administration's foreign economic and security policies no index annotation copyrighted by book news inc portland or

in this important new volume editors paul kengor and peter schweizer bring together original essays from leading scholars who examine topics as varied as iran contra

abortion the cold war governmental management and economic policy through critical analysis these essays seek a better understanding of ronald reagan his policies and his lasting legacy

now that reagan s achievements and failures have become more obvious it is time for a new nonpartisan appraisal of his leadership and its impact on the nation that is precisely what john sloan delivers sloan focuses especially on the questions raised in the highly polemical debates between conservatives and liberals concerning reagan s economic policies he gives equal time to both sides showing how liberals were wrong in their predictions of gloom while conservatives continue to grant reagan more credit and status than he deserves

the eight years of the reagan administration have left an indelible imprint on u s economic policy although the term reaganomics is employed by both the general public and academic economists there is still no consensus as to what the overall impact of reaganomics has been for the country this work a wide ranging collection of essays and commentaries analyzes the empirical evidence that comprises the reagan economic legacy by detailing that legacy s successes such as low unemployment and economic growth and its negative effects including unprecedented deficits and regulatory chaos the editors provide some tentative conclusions as to whether the reagan years produced an economic miracle or paved the way for economic disaster the volume concentrates on the first level of economic impacts covering the issues of supply side economics the regulatory environment monetary policy and foreign trade under each topic groups of essays and commentaries present alternative interpretations of the reagan legacy tax policy and business fixed investment the effects of supply side policies on labor supply tax reform and deregulation are addressed in the supply side section interest rates and monetary policy objectives and realizations comprise the monetary policy section and trade policy trade deficit and exchange rates are discussed in the international trade section a final essay offers an alternate view of the reagan legacy that attempts to synthesize the divergent theories this work will be an important new resource for courses in economics and political science as well as a worthy addition to college university and public libraries

provides assessment of the reagan years in the white house and of his administration by the senior u s senator from new york

a to z format makes it easy to refer to particular people or events but the writing style makes it an interesting read from beginning to end

this unprecedented volume discusses the reagan administration from the inside out based on essays from insiders and outsiders this book offers insights into ronald reagan

and offers critiques of his leadership abilities and administration insiders include senator paul laxalt of nevada one of reagan s most trusted friends tom griscom a communications expert donald regan secretary of the treasury and chief of staff and political advisor lyn nofziger outsiders include fred barnes of the new republic lou cannon of the washington post and tv newsman sander vanocur together they present a compelling history of the reagan administration

mcdonald explores how and why the presidency has evolved into such a complex and powerful institution unlike any other in the world he chronicles the presidency s creation implementation and evolution and explains why it s still working today despite its many perceived afflictions

in this work distinguished political figures and journalists who worked closely with ronald reagan examine his role in foreign policy contents preface introduction part i principles of foreign policy reagan s foreign policy leadership sterling kernek reagan and the realities of foreign policy paul h nitze reagan and international arms agreements caspar weinberger part ii personality and policy making reagan as decisionmaker john c whitehead serving reagan as negotiator max m kampelman reagan s leadership mystery man or ideological guide elliot abrams part iii the reagan strategy personal or institutional administration and technical assistance a i d s western hemisphere program dwight ink reagan as foreign policy strategist paul h nitze reagan s triumph personal or institutional don oberdorfer co published with the miller center of public affairs
