new reading of contemporary feminisms and the short story  
the short story has received renewed attention and notable popular acclaim in the twenty first century  
this book offers a wide ranging survey of contemporary women s short stories and introduces a new way of theorising feminism in the genre through the concept of the moment by considering the prominent themes of motherhood marriage domesticity

sexuality masculinity and femininity this work engages with a spectrum of issues that are central to feminism today and in the process offers insightful new readings of the contemporary short story readers will find new perspectives on both canonical as well as lesser discussed contemporary writers including kate atkinson nicola barker a s byatt aminatta forna victoria hislop jackie kay andrea levy hilary mantel kate mosse michele roberts ali smith zadie smith and rose tremain while serving as a comprehensive introduction to the central themes of feminist politics the study shows what makes the short story a desirable literary vehicle for creatively and critically contributing to feminist debates key features offers a new way of approaching and theorising feminism and the short story through the concept of the moment establishes an important field of literary study which will further extant criticism on both the short story and contemporary women s writing provides new perspectives on both canonical and lesser discussed contemporary writers including kate atkinson nicola barker aminatta forna sarah hall jackie kay kate mosse michele roberts helen simpson ali smith zadie smith and rose tremain provides a comprehensive introduction to some of the central themes of feminist politics

discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences but young readers regardless of their sexual orientation don t always know what books offer well rounded portrayals of queer characters and situations fortunately finding positive role models in fiction that features lgbtq themes has become less problematic though not without its challenges in representing the rainbow in young adult literature lgbtq content since 1969 christine jenkins and michael cart provide an overview of the literary landscape an expanded version of the heart has its reasons this volume charts the evolution of ya literature that features characters and themes which resonate not only with lgbtq readers but with their allies as well in this resource jenkins and cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction this book also features an annotated

bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers encompassing a wider array of sexual identities representing the rainbow in young adult literature is an invaluable resource for young people eager to read about books relevant to them and their lives

this is the fourth volume sponsored by the united states board on books for young people following children s books from other countries 1998 the world through children s books 2002 and crossing boundaries 2006 this latest volume edited by linda m pavonetti includes books published between 2005 and 2009 this annotated bibliography organized geographically by world region and country with descriptions of nearly 700 books representing more than 70 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children s literature like its predecessors it will be an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity

in these thirteen short stories georgia blain examines human nature in all its richness out motivations out desires and our shortcomings the men in these tales frequently linger at the edges their longings and failures exerting a subterranean pull on the women in their lives in the secret lives of men a woman revisits her hometown and learns a long held secret about her first boyfriend in the bad dog park a man s devotion to his dog ultimately forces him to confront his true hopes and fears and in the other side of the river we watch as a woman makes a snap decision about her life s future direction with devastating consequences for her family written in blain s trademark unadorned yet powerful prose these stories resonate long after they are finished a haunting unsentimental exploration of the vexations and joys of modern life family love and desire kirsten tranterthe secret live of men is an exceptional collection by one of australia s leading writers

this anthology of scholarly ecocritical essays offers varied and global perspectives on the representations of violations of human rights mainly caused by anthropogenic climate change in literature and various forms of visual media
