gothic as a form of fiction making has played a major role in western culture since the late eighteenth century here fourteen world class experts on the gothic provide thorough and revealing accounts of this haunting to horrifying type of fiction from the 1760s the decade of the castle of otranto the first so called gothic story to the end of the twentieth century an era haunted by filmed and computerized gothic simulations along the way these essays explore the connections of gothic fictions to political and industrial revolutions the realistic novel the theatre romantic and post romantic poetry nationalism and racism from europe to america colonized and

post colonial populations the rise of film and other visual technologies the struggles between high and popular culture changing psychological attitudes towards human identity gender and sexuality and the obscure lines between life and death sanity and madness the volume also includes a chronology and guides to further reading

written with an undergraduate audience in mind this text offers a synthesis of the main topics of gothic interest and clearly argued summaries of critical debate it signals its difference from recent psychoanalytic readings of gothic and argues instead for a more complex multilayered approach via an historicist reading of gothic fiction illustrated with ten black and white plates and including an up to date bibliography this will be an ideal text for all those with an interest in the gothic book jacket

crime fiction in the city capital crimes expands upon previous studies of the urban space and crime by reflecting on the treatment of the capital city a repository of authority national identity and culture within crime fiction this wide ranging collection looks at capital cities across europe from the more traditional centres of power paris rome and london to europe s most northern capital stockholm and also considers the newly devolved capitals dublin edinburgh and cardiff the texts under consideration span the nineteenth century city mysteries to contemporary populist crime fiction the collection opens with a reflective essay by ian rankin and aims to inaugurate a dialogue between anglophone and european crime writing to explore the marginalised works of irish and welsh writers alongside established european crime writers and to interrogate the relationship between fact and fiction creativity and criticism within the crime genre

as the novel coronavirus covid 19 spread around the world so did theories stories and conspiracy beliefs about it these theories infected communities from the halls of congress to facebook groups spreading quickly in newspapers on various social media and between friends they spurred debate about the origins treatment options and responses to the virus creating distrust towards public health workers and suspicion of vaccines this book examines the most popular covid 19 theories connecting current conspiracy beliefs to long standing fears and urban legends by examining the vehicles and mechanisms of covid 19 conspiracy readers can better understand how theories spread and how to respond to misinformation

the romantic era was a vibrant and exciting time in the history of the novel yet aside from a few iconic books for example pride and prejudice or frankenstein it has been ignored or dismissed by later readers and critics bringing this rich but neglected body of works to the fore recognizing the romantic novel challenges us to rethink our ideas of the novel as a genre as well as our long held assumptions about the literary movement of romanticism book jacket

the way people think about the holocaust is changing the particular nature of the transformation depends on people s historical perspectives and how they position themselves and their nation or community vis à vis the tragedy understandably european muslims perceive the holocaust as less

central to their history than do other europeans yet while the acknowledgement and commemoration of the horrors of the holocaust are increasingly important in europe holocaust denial and biased views on the holocaust are widespread in european muslims countries of origin in this book a number of distinguished scholars and educators of various backgrounds discuss views of the holocaust problematic views are often influenced by a persistent attitude of holocaust denial which is derived in part from discourses in the muslim communities in their countries of origin the essays collected here explore the backgrounds of these perceptions and highlight positive approaches and developments many of the contributions were written by people working in the field and reflecting on their experiences this collection also reveals that problematic views of the holocaust are not limited to muslim communities
