this book is an introduction to three questions on love according to st thomas aquinas summa theologiae i ii qq 26 28 these three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 it is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will the purpose is to present the thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective it aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader the thesis of the book is that contrary to contemporary conceptions not all loves are created equal some loves perfect us and some loves corrupt us the worth of a love depends on its object and end st thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest the method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of aquinas assumes the scope of the work is limited to three questions st i ii qq 26 28 references to interpretative disputes of aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers

a splendid translation made from a trustworthy latin text of what is for some of us the foundation work of christian theology he has fitted out his translation clearly the best of the four that have been made into english with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read journal of religion and health
barry ulanov

the first volume in this epic and classic undertaking by one of the most notable theologians of the roman catholic church this volume features theological considerations towards such topics as god the trinity creation angels humanity good and evil and other important topics that we often take for granted in our thinking in the church and in worship towards god these topics must be carefully considered if we are to ever have a deep understanding and love of the one true god and his son jesus christ

the summa theologica is the best known work of italian philosopher scholar and dominican friar saint thomas aquinas 1225 1274 widely considered the catholic church s greatest theologian famously consulted immediately after the bible on religious questions at the council of trent aquinas s masterpiece has been considered a summary of official church philosophy ever since aquinas considers approximately 10 000 questions on church doctrine covering the roles and nature of god man and jesus then lays out objections to church teachings and systematically confronts each using biblical verses theologians and philosophers to bolster his arguments in volume i aquinas addresses the existence and perfection of god the justice and mercy of god predestination the cause of evil the union of body and soul free will and fate and much more this massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than

seven hundred years after it was written for clergy religious historians and serious students of catholic thought

against all heresies was written at the request of spanish merchants of flanders to combat heretics and was first published in paris in 1534 it is a description and criticism of more than 400 heresies which had arisen in the church since the time of the apostles presented in alphabetical order it was the author s most popular work for which he received the nickname the scourge of heretics king philip ii of spain whom the author served as chaplain wrote in the preface of this work that this book is such a useful and beneficial book for the christian state
