new york times bestseller an explosive deeply reported exposé of johnson johnson one of america's oldest and most trusted pharmaceutical companies from an award winning investigative journalist a damning portrait associated press a page turning drama that raises life or death questions about the world's largest healthcare conglomerate jonathan eig pulitzer prize winning author of king a life longlisted for the national book critics circle award a chicago public library and new york public library best book of the year one day in

2004 gardiner harris a pharmaceutical reporter for the new york times was early for a flight and sat down at an airport bar he struck up a conversation with the woman on the barstool next to him who happened to be a drug sales rep for johnson johnson her horrific story about unethical sales practices and the devastating impact they d had on her family fundamentally changed the nature of how harris would cover the company and the entire pharmaceutical industry for the times his subsequent investigations and ongoing research since that very first conversation led to this book a blistering exposé of a trusted american institution and the largest healthcare conglomerate in the world harris takes us light years away from the company s image as the child friendly baby company as he uncovers reams of evidence showing decades of deceitful and dangerous corporate practices that have threatened the lives of millions he covers multiple disasters lies and cover ups regarding the link of johnson s baby powder to cancer the surprising dangers of tylenol a criminal campaign to sell antipsychotics that have cost countless lives a popular drug used to support cancer patients that actually increases the risk that cancer tumors will grow and deceptive marketing that accelerated opioid addictions through their product duragesic fentanyl that rival even those of the sacklers and purdue pharma filled with shocking and infuriating but utterly necessary revelations no more tears is a landmark work of investigative journalism that lays bare the deeply rooted corruption behind the image of babies bathing with a smile

mineral prices have risen while the economy as a whole has entered a period of slowing growth this book reviews the increases in price across a wide range of metals commodities in the case of steel the most widely used industrial metal the rise in price appears largely driven by the high prices of iron ore and steel scrap weak demand and increasing supply may reduce metals prices but it is also widely believed that prices will not fall to the levels seen earlier in this decade consolidation of ownership of minerals companies has given them increased pricing power market speculation may have driven up the prices of mineral commodities the 2000 commodity futures modernization act exempted both energy commodities and metals from regulation by the commodity futures trading commission cftc this book examines in detail the relationship between prices production and availability of selected metal minerals essential to the u s economy this is an edited excerpted and augmented edition of a crs publication

providing an extensive overview of the music fashion films and philosophies behind the

movement this encyclopedia chronicles the history and development of heavy metal including sub movements such as death metal speed metal grindcore and hair metal
