high art lite takes a critical look at british art of the 1990s it provides an analysis of the british art scene exploring the reasons for its popularity and examines in detail the work of the leading figures

this searing book has become the authoritative account of the new british art of the 1990s its legacy in the 21st century and what it tells us about the fate of high art in contemporary society high art lite provides a sustained analysis of the phenomenal success of yba young british artists obsessed with commerce mass media and the cult of personality damien hirst tracey emin jake and dinos chapman marcus harvey sarah lucas among others in this fully revised and expanded edition julian stallabrass explores how yba lost its critical immunity in the new millennium and looks at the ways in which figures such as hirst emin wearing and landy have altered their work in recent years

these days artists like damien hirst and tracey emin are major celebrities but gregor muir knew them at the start his unique memoir chronicles the birth of young british art muir yba s embedded journalist happened to be in shoreditch and hoxton before jay jopling arrived with his white cube gallery when this was still a semi derelict landscape of grotty pubs and squats there he witnessed amid a whirl of drunkenness scrapes and riotous hedonism the coming together of a remarkable array of young artists hirst the chapman brothers rachel whiteread sam taylor wood angus fairhurst who went on to produce a fresh irreverent often notorious form of art hirst s shark sarah lucas s two fried eggs and a kebab by the time of the seminal sensation show at the royal academy yba had changed the art world for ever

young british art presents an exciting overview of the most compelling work by young british artists from the past decade as seen through the eyes of british advertising magnate and collector charles saatchi today more than a decade after saatchi began buying the work of then unknowns such as damien hirst marc quinn rachel whiteread gary hume fiona rae jenny saville jake and dinos chapman mark wallinger and sarah lucas these artists have become international pacesetters of contemporary art and the saatchi collection the most important of its kind though some of the works have been exhibited much of the collection remained unseen and unpublished in this major volume 800 paintings sculptures photographs and installations

chosen by saatchi from the 1 000 works in his collection are arranged chronologically the reproductions are juxtaposed with essays articles cartoons and interviews with the artists represented

sensation is the first definitive survey of work by the younger generation of british artists that has captivated the international art world with its vitality and inventiveness as a constant and prodigious collector and patron of young british artists charles saatchi has been unique in his commitment to british art as it is now being produced his support extends far beyond those such as damien hirst and rachel whiteread whose work has acquired wide notoriety to dozens of others at the cutting edge of the current art scene sensation features the work of forty two of the most exciting and radical artists working in britain today many of them such as jenny saville fiona rae or jake dinos chapman are already internationally acclaimed others are destined to be the book's original and penetrating essays introduce the critical context of their work and trace the phenomenon of the british art scene since freeze the 1988 exhibition that is now recognized as a defining moment in the story of british art cutting through tabloid headlines controversial press coverage and art world debate sensation reveals the achievements of young british artists and the role played by courageous and imaginative patronage

profiled for the first time as an intimate group this title provides a personal account of the meteoric success of the ybas and of the often painful realities of the contemporary art world

the first definitive account of the groundbreaking young british artists from their dramatic arrival in the late 1980s through the disbanding of the group and beyond the young british artists ybas stormed onto the contemporary art scene in 1988 with their attention grabbing ironic art both dismissed as trivial gimmickry and praised for its witty energy their art made an indelible mark on the art scene and on public consciousness still visible today brit art tells the story of the ybas chronicling the group's rise to prominence from the landmark show freeze curated by damien hirst in the late 1980s through the heyday of the 1990s and the notorious sensation exhibition to the momart fire of 2004 that seemed to symbolize the group's fade from center stage a postscript reveals where they are now with an overview of each artist's career in the last decade drawing on interviews with all the key brit art players as well as extensive archival research elizabeth fullerton examines the entire cast of characters as well as crucial events and seminal artworks she considers too the political economic and artistic context of those twenty years the group was most active among the artists discussed are damien hirst rachel whiteread tracey emin jake and dinos chapman sarah lucas and gary hume

in 1988 a new era of british art was born young artists started to produce exciting work that would soon take the international art world by storm charles saatchi began supporting the work of this new generation of artists more than ten years ago and his gallery has played a pivotal role in letting their voices be heard this work documents one of the largest collections of contemporary british art in the world

the last few decades have been among the most dynamic within recent british cultural history artists across all genres and media have developed and re-fashioned their practice against a radically changing social and cultural landscape both national and global this book takes a fresh look at some of the themes ideas and directions which have informed british art since the later 1980s through to the first decade of the new millennium in addition to discussing some iconic images and examples it also looks more broadly at the contexts in which a new post-conceptual generation of artists those typically born since the late 1950s and 1960s have approached and developed aspects of their professional practice contemporary british art is an ideal introduction to the field to guide the reader the book is organised around genres or related practices painting sculpture and installation and film video and performance the first chapter explores aspects of the contemporary art market and some of the contexts within which art is made supported and exhibited the chapters that discuss various genres of art practice also mention books that may be useful to support further reading extensively illustrated with a

wide range of work both known and less well known from artists such as chris ofili rachel whiteread damien hirst banksy anthony gormley jack vettriano sam taylor wood steve mcqueen and tracey emin and many more

black artists have been making major contributions to the british art scene for decades since at least the mid twentieth century sometimes these artists were regarded and embraced as practitioners of note at other times they faced challenges of visibility and in response they collaborated and made their own exhibitions and gallery spaces in this book eddie chambers tells the story of these artists from the 1950s onwards including recent developments and successes black artists in british art makes a major contribution to british art history beginning with discussions of the pioneering generation of artists such as ronald moody aubrey williams and frank bowling chambers candidly discusses the problems and progression of several generations including contemporary artists such as steve mcqueen chris ofili and yinka shonibare meticulously researched this important book tells the fascinating story of practitioners who have frequently been overlooked in the dominant history of twentieth century british art

the last few decades have been among the most dynamic within recent british cultural history artists across all genres and media have developed and re fashioned their practice against a radically changing social and cultural landscape both national and global this book takes a fresh look at some of the themes ideas and directions which have informed british art since the later 1980s through to the first decade of the new millennium in addition to discussing some iconic images and examples it also looks more broadly at the contexts in which a new post conceptual generation of artists those typically born since the late 1950s and 1960s have approached and developed aspects of their professional practice contemporary british art is an ideal introduction to the field to guide the reader the book is organised around genres or related practices painting sculpture and installation and film video and performance the first chapter explores aspects of the contemporary art market and some of the contexts within which art is made supported and exhibited the chapters that discuss various genres of art practice also mention books that may be useful to support further reading extensively illustrated with a wide range of work both known and less well known from artists such as chris ofili rachel whiteread damien hirst banksy anthony gormley jack vettriano sam taylor wood steve mcqueen and tracey emin and many more

the sculptural history of the long 1980s has been dominated by new british sculpture and young british artists arguing for a more expansive history of british sculpture and its supporting infrastructures these twenty three vivid and enthralling interviews with artists curators dealers and facilitators working then demonstrate the interconnected networks diversity of ideas and practices energy imagination and determination that transformed british art from being marginal to internationally celebrated with a substantial introduction this timely volume provides valuable new insights into the education work careers studios infrastructures and exhibitions of the artists and facilitators substantially enlarging our understanding of the era

british culture today is the product of a shifting combination of tradition and experimentation national identity and regional and ethnic diversity these distinctive tensions are expressed in a range of cultural arenas such as art sport journalism fashion education and race this companion addresses these and other major aspects of british culture and offers a sophisticated understanding of what it means to study and think about the diverse cultural landscapes of contemporary britain each contributor looks at the language through which culture is formed and expressed the political and institutional trends that shape culture and at the role of culture in daily life this interesting and informative account of modern british culture embraces controversy and debate and never loses sight of the fact that britain and britishness must always be understood in relation to the increasingly international context of globalisation

the young british artists ybas stormed on to the contemporary art scene in 1988 with their attention grabbing ironic art exploding art world conventions with brazen disdain dismissed as trivial gimmickry and praised for its witty energy their art made a mark both on the art scene and on public consciousness that continues to reverberate today artrage tells the raucous story of the ybas chronicling the groups rise to prominence from the landmark show freeze curated by damien hirst through their 1990s heyday and the notorious sensation exhibition to the momart fire of 2004 that seemed to symbolize the groups fading from centre stage the book ends with an update on the artists careers and fortunes drawing on interviews with all the key britart players and extensive archival research elizabeth fullerton examines the individual characters their relationships to one another crucial events and seminal artworks considering too the political economic and artistic context of those years plentiful quotations bring out the distinctive personalities and provide fresh insights into the people and the period among the artists discussed are damien hirst rachel whiteread tracey emin jake and dinos chapman sarah lucas and gary hume
