the history of ideas better known these days as intellectual history is a flourishing field of study which has been the object of much controversy but hardly any historical exploration this major new work from donald r kelley is the first comprehensive history of intellectual history tracing the study of the history of thought from ancient medieval and early modern times its emergence as the history of ideas in the 18th century and its subsequent expansion the point of

departure for this study is the perspective opened up by victor cousin in the early 19th century on eclecticism and its association with the history of philosophy established by renaissance scholars kelley considers a broad range of topics including the rivalry between ideas and language the rise of cultural history the contributions of certain 19th and 20th century practitioners of the history of ideas in interdisciplinary areas of philosophy literature and the sciences and finally the current state of intellectual history the central theme of the book is the interplay between the canon of philosophical thought and the tradition of language and textual study the divergence of the latter marking the descent of ideas into the realm of cultural history

monthly review of architecture interiors designing art

a foray into the pleasures of spirits from the author of the good cigar discusses how fine alcoholic beverages are made and which ones in the author s opinion are best it describes both the role spirits have played in history as well as practicalities of bar setup and drink mixing dispensing even measures of lore illustration and good sense color b w illus

this book celebrates the world of fine spirits single malt scotches small batch bourbons fine cognacs liqueurs and the clear spirits gin vodka and others with a unique blend of practical information and entertaining anecdotes it discusses how these spirits are made and which ones in the author s unassailable opinion are best the book describes both the role spirits have played in history as well as practicalities of bar setup and drink mixing and it dispenses even measures of lore illustrations and good sense about these liquors in a supremely engaging way includes dozens of color and black white illustrations
