leaders all across the world there is something about when the minstrel and the senior leader of a ministry are on the same page in heart and deed that can t be explained it releases a level of glory that releases miracles signs and wonders to a house through the power of oneness through the power of divine alignment i am so enthused for the bridging of the gap that will take place between the levite and priest it is definitely an apostolic movement apostolic work is not easy to be the one that has to carry an assignment that deals with the sticky stuff isn t always fun however by the grace of god and through his love i am optimistic about this great coming together god is moving and preparing us for a greater glory courtney c moore

this eye opening study is for every christian who wants to be prepared to strike a knockout blow to this enemy of the soul the jezebel spirit christianity

the second edition of the bloomsbury handbook of religion and popular music provides an updated state of the art analysis of the most important themes and concepts in the field combining research in religious studies theology critical musicology cultural analysis and sociology it comprises 30 updated essays and six new chapters covering the following areas popular music religion and performance musicological perspectives popular music and religious syncretism atheism and popular music industrial music and noise k pop the handbook continues to provide a guide to methodology key genres and popular music subcultures as well as an extensive updated bibliography it remains the essential tool for anyone with an interest in popular culture generally and religion and popular music in particular

congregational music conflict and community is the first study of the music of the contemporary worship wars conflicts over church music that continue to animate and divide protestants today to be based on long term in person observation

and interviews it tells the story of the musical lives of three canadian mennonite congregations who sang together despite their musical differences at the height of these debates in the late 1990s and early 2000s mennonites are among the most music centered christian groups in north america and each congregation felt deeply about the music they chose as their own the congregations studied span the spectrum from traditional to blended to contemporary worship styles and from evangelical to liberal protestant theologies at their core the book argues worship wars are not fought in order to please congregants musical tastes nor to satisfy the theological principles held by a denomination instead the relationships and meanings shaped through individuals experiences singing in the particular ways afforded by each style of worship are most profoundly at stake in the worship wars as such this book will be of keen interest to scholars working across the fields of religious studies and ethnomusicology
