hind swaraj by mahatma gandhi is arguably the greatest text to have emerged from the anti colonial movement in india and the first to seriously challenge the cultural and civilizational premises of the colonizers mentality it is also the first text in india that falls within the broad tradition of modern political philosophy advancing a complex cluster of theses with conceptual sensitivity analytical precision and sustained argument this book critically engages with hind swaraj and explores the fascinating and subtle dialogue set up by gandhi between the characters of the reader and the editor with essays from leading contemporary thinkers on gandhi the volume looks at themes such as gandhi on epistemic servitude decolonization and intercultural translation his complex critique of modern civilization his views on the empire democracy citizenship and violence the normative structure of gandhian thought gandhi and the political praxis of educational reconstruction and how to read this text an important intervention in gandhian studies this book will be useful for scholars and researchers of peace studies political philosophy indian philosophy indian political thought political sociology and south asian studies

a tour de force examination of the contemporary ideological landscape by one of the world's leading analysts of globalization

there is a long tradition in western political thought suggesting that violence is necessary to defend freedom but nonviolence and civil disobedience have played an equally long and critical role in establishing democratic institutions freedom without violence explores the long history of political practice and thought that connects freedom to violence in the west from athenian democracy and the roman republic to the age of revolutions and the rise of totalitarianism it is the first comprehensive examination of the idea that violence is necessary to obtain defend and exercise freedom the book also brings to the fore the opposing theme of nonviolent freedom which can be found both within the western tradition and among critics of that tradition since the plebs first vacated rome to refuse military service and win concessions from the patricians in 494 b c nonviolence and civil disobedience have played a critical role in republics and democracies abolitionists feminists and anti colonial activists all adopted and innovated the methods of nonviolence with the advent of the velvet revolutions the end of apartheid in south africa and most recently the arab spring nonviolence has garnered renewed interest in both scholarly publications and the popular imagination in this book dustin ells howes traces the intellectual history of freedom as it relates to the concepts and practices of violence and nonviolence

through a critique and reappraisal of the western political tradition freedom without violence constructs a conception of nonviolent freedom the book argues that cultivating and practicing this brand of freedom is the sine qua non of a vibrant democracy that resists authoritarianism imperialism and oligarchy

this book examines gandhi s idea of swaraj as an alternative to the modern concept of political authority it also introduces the readers to gandhi s ideas of moral interconnectedness and empathetic pluralism it explores the gandhian belief that nonviolence as a moral and political concept is essentially the empowerment of the other through spiritual and political realization of the self as a non egocentric subject further it highlights swaraj as an act of conscience and therefore a transformative force essential to the harmony between spirituality and politics the volume will be of great interest to scholars and researchers of philosophy politics and south asian studies
