traditionalist christians who oppose same sex marriage and other cultural developments in the united states wonder why they are being forced to bracket their beliefs in order to participate in public life this situation is not new says steven d smith christians two thousand years ago faced very similar challenges picking up poet t s

eliot s world war ii era thesis that the future of the west would be determined by a contest between christianity and modern paganism smith argues in this book that today s culture wars can be seen as a reprise of the basic antagonism that pitted pagans against christians in the roman empire smith s pagans and christians in the city looks at that historical conflict and explores how the same competing ideas continue to clash today all of us smith shows have much to learn by observing how patterns from ancient history are reemerging in today s most controversial issues

this work is a biblical masterpiece on romans 6 5 for if we have been planted together in the likeness of his death we shall be also in the likeness of his resurrection brinsley sets into view the christian s union and communion with and conformity to jesus christ he shows that it is a union communion and conformity applied to the believer in christ s death and resurrection believers are planted together with christ in a mystical implantation they are converted by faith in him have unity in him have a blessed communion in him while at the same time being nourished show forth growth bear fruit and have sustenance through christ s spirit after establishing the union communion and conformity believers have in christ he teaches how christ s death and resurrection apply to believers as they are grafted into the life giving root of the savior he covers how believers die to sin what it means to mortify sin and how to live in righteousness through the power of the resurrecting spirit of christ such a resurrection is not only first in this life through regeneration but also the hope which christians have in the blessed return of the savior who will resurrect them ultimately in glory hereafter this work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern english and has an active table of contents for electronic versions

rediscovering the radical transcendent and downright weird message of jesus how christians can succeed today is the third title in greg sheridan s bestselling trilogy about christianity in the modern world a grace filled god filled book of truth and wonder and the glorious mystical experience of faith stan grant inspiring and engrossing richard glover a trustworthy and encouraging blueprint for christians everywhere anthony fisher the first christians confronted a cultural environment vastly more hostile than today s they had no powerful backers very little money and numbered no more than a few hundred yet they revolutionised the ancient world and spread their movement far and wide there is a deep pervasive crisis of meaning and purpose across all western societies today greg sheridan encourages us to listen to the voices of the early christians and emulate their commitment integrity resilience and smarts he shows how early christians built communities met persecution with courage and grace dispensed universal mercy during plagues pioneered equality for women and redefined the nature and purpose of the human experience always with jesus christ at the centre of their lives he also charts the journeys of modern christians who live by those same values today leila and danny abdallah who met great suffering with great forgiveness young people making a radical commitment to faith country pastors and christians inspired to welcome and help the homeless he profiles cultural leaders who

communicate christianity with great effect including marilynne robinson jordan peterson bishop robert barron pastor mark varughese former us vice president mike pence and dallas jenkins the creator of the chosen television series it s a powerful and inspiring message of what living jesus centric lives seeing god in every human being and finding access to the transcendent can mean for ordinary people it could once again transform our fractious polarised world a wonderful mix of historical observation social commentary and moving interviews michael bird a clarion call to return to the raw revolutionary faith of the early church russell evans

in these last of days in this dispensation of time we have more and more religious and irreligious politically correct beliefs being bantered about by the masses these worldly ideas and viewpoints have crept into our homes schools colleges churches courts and government over the centuries of human existence causing confusion and spiritual frustration many seek the truth about god from other men and women who have no personal relationship with god themselves friend i have good news god is love he doesn t have love he is love and we were created by love for love and this very same god of love desires agape for you

although the history of christianity has often been compared to the growth of a plant there is a danger in the use of this or other images derived from the world of natural growth that the present will be viewed as the norm to which the events of the past are directed the present will then be regarded as signifying a maturity that the seminal past could never attain unfortunately the historian who falls victim to this kind of biological analogy is not recording and interpreting actual events he is writing apologetics for although it is true that god s design will be brought to fulfillment only in the future it must remain the role of the church historian to chronicle not only those happenings that contributed to the execution of god s plan but also the human failings that impeded it arthur mirgeler as the title of his book indicates is concerned specifically with those changes in culture and in mental climate which have affected the church in its passage through the ages he sketches upon the broad canvas of european history some of the great mutations in the status of christianity and some of the major racial and sociological influences that have given to the practice and the institution of the christian faith an extraordinary variety of emphasis and external form without ignoring the divine governance of the church and without ever suggesting that the changes he describes implying doctrinal mutability dr mirgeler shows how christians have been involved in social and intellectual movements which may have comprised or assisted the church in its mission mutations of the westren christianity in the words of dom david knowles is an original arresting and even provocative book which will break down narrow formal or tendentious attitudes to the past and which will help all christians towards a penetration in depth of the religious history of europe publisher
