what role do human rights play in the development of regional organizations what human
rights obligations do states assume upon joining regional bodies regional protection of
human rights second edition is the first text of its kind devoted to the european inter
american and african systems for the protection of human rights it illustrates how
international human rights law is interpreted and implemented across international
organizations and offers examples of political economic social problems and legal issues
to emphasize the significant impact of international human rights law institutions on the
constitutions law policies and societies of different regions regional protection of human
rights provides readers with access to the basic documents of each legal system and
their inter relationships enabling readers to apply those documents to ever changing
global situations and alerting them to the dynamic nature of regional human rights law
and institutions the jurisprudence of the european and inter american courts and

decisions of the inter american and african commissions are emphasized including decisions on the interpretation and application of various human rights procedural requirements and remedies prospects for regional systems in the middle east and asia are also discussed the relevant basic texts are reproduced in a documentary supplement together regional protection of human rights and its accompanying documentary supplement provide comprehensive access to the basic documents of each legal system and their inter relationships enabling readers to apply those documents to ever changing global situations and alerting them to the dynamic nature of regional human rights law and institutions in addition to serving as a text for courses on human rights law the book will be useful for courses in international law international relations and political science it is also be a helpful resource for lawyers and policy makers concerned with the protection of human rights

keeping the economy running must be balanced with workers welfare and wider public health objectives the evidence we have is that this balance is not currently being achieved with far too many people facing unnecessary risk it remains unclear to many of our members why the social distancing and public health measures they are being asked to take at home and in the community are no longer always required nor enforced when they enter the workplace we therefore call on the government to provide further direction to employers on what they need to do to ensure safe working and to set out the enforcement action that they will take against those that refuse
